About us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

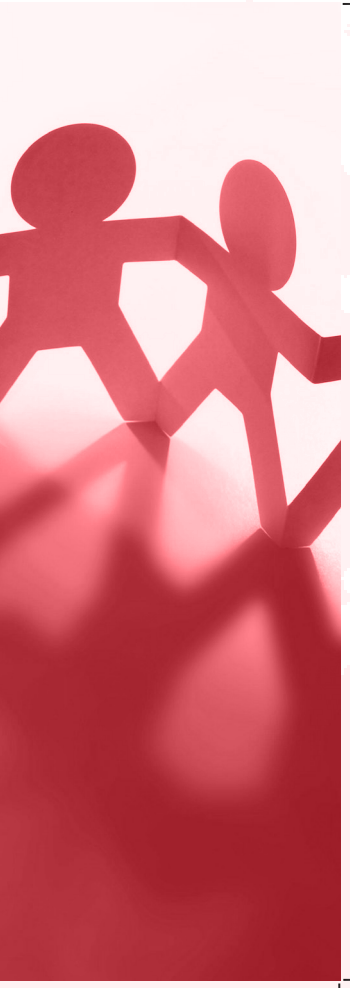

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

Published in Respective Supported Journals

Each Accepted abstracts will be provided with A digital Object Identifier by Crossref

About Conference

The fundamental subject of World Heart Failure 2019 is "Prediction and Prevention of Heart Failure". This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research
profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference

World Heart Failure 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

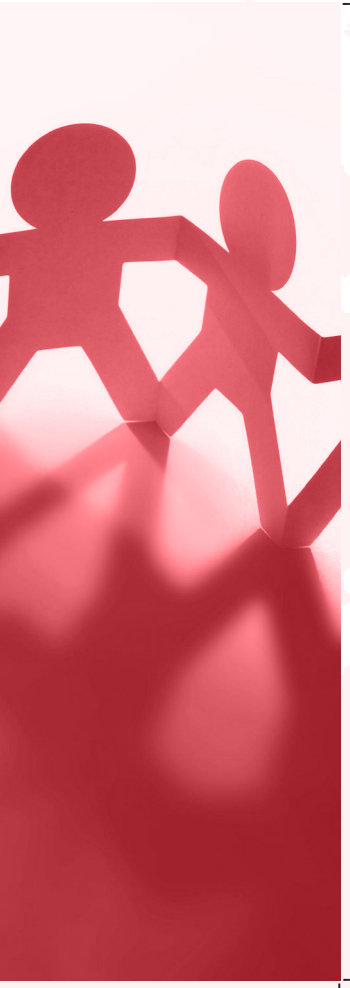

How Conference Series llc LTD Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through

Atherosclerosis
Cardiac Diseases
Congestive Heart Failure
Molecular Cardiology
Devices / CRT / ICD / Surgery
Cardiovascular Toxicology and Pharmacology
Cardiac Diagnostic Test
Cardiac Nursing and Healthcare
Heart & Obesity
Nuclear Cardiology & Cardiac CT
Cardiac Regeneration
Clinical Cardiology
Pediatric & Geriatric Cardiology
Interventional Cardiac Imaging
Women and Heart Diseases
Vascular Heart Disease
Cardiomyopathy
Cardiovascular Engineering
Neuro-Cardiology
Sports & Exercise Cardiology
Current Research in Cardiology
Cardiovascular Drugs

About Paris

Paris is synonymous with all that is French. Known throughout the world as the "City of Light," Paris is celebrated for its beautiful city plan, its architecture, museums, bridges, cathedrals, parks, shopping, flea markets, sidewalk cafés, wide and luxurious boulevards, elegant cuisine, and numerous monuments. It is located in North-central France of Western Europe. It is having a time zone of 11 am = noon Greenwich Mean Time (GMT); 6 am = noon Eastern Standard Time (EST). The annual mean temperature is 12°C (54°F). Once confined to an island in the middle of the Seine River, the Ile de la Cité, Paris, founded more than 2,000 years ago, quickly spread to both banks of the river—the rive droit (right bank) and the rive gauche (left bank). The right bank is known for being the commercial heart of the city while the left bank is home to the University of Paris and all that is intellectual and artsy. Paris has always been known to have the aura of romance and mystery and has been the setting for many novels and movies.

Two main airports are situated in Paris, Roissey-Charles de Gaulle and Orly, serve the metropolis of Paris and neighboring areas. From these airports travelers can easily take public transportation (subway) or taxis to the heart of Paris in less than an hour. For more specific information, visitors can visit the Office du Tourisme booth in either airport.
