Our Programme

Our programme aims to bridge the gap between basic and translational science, with an emphasis on large-scale approaches and innovative technologies in the fields of, Paediatric Nursing, Telenursing, Mid-wifery Nursing and various other fields.

We foster discussion and debate of the innovations by maximizing interactions, collaborations and networking opportunities for researchers and clinicians from academia, industry, and Pharmaceutical professionals.

Venue & Hospitality

Dubai, one of the Seven Emirates considered second among the oil reserves has made its way to the must-visit destinations of the most people on the face of earth. From hitting the Desert sands at the Wild Desert Safari to the World Trade Centre and the beautiful Skyscrapers; numerous experiences can be cited here at Dubai. The city is known for its unique Architects which include the sky-piercing buildings, world's largest shopping malls, the Mosques here stand as an epitome of historic art and culture. The traditional boat ride known as dhow in which you travel through the modern civilization in Arab sailing vessels. The serene night view of Dubai can be enjoyed with the Dubai Fountain show where the water dances to the rhythm of music. The Museum offers a memorable historic time travel experience to the past. Herein Dubai one can see the Architect raised not only above the ground but also above the sea level raising the now standing Palm islands Palm Jumeirah, Deira Island and Palm Jebel Ali on the coast of Dubai.
