Dear Colleagues!!

On behalf of ConferenceSeries LLC Ltd, We would like to take an immense pleasure and honor to welcome you towards upcoming **18th International Conference on World HPLC & Separation Techniques in Toronto, Canada** a metropolitan city and a heart core pharmaceutical hub in Canada region. The purpose of this 2 day conference is to bring together high profiled researchers, scholars, eminent personalities and students from both academic and industrial fields throughout the world under single roof. This will explore the link between HPLC and Separation Techniques in the field of Chemistry in the present Scenario.

Theme: Continued, Continuing & Continuable Methods for Advancing HPLC and Separation Techniques.

As we know, in this present world day to day latest innovations and discoveries are going on. Based on such issues we came forward to correlate our conference subject with reference to Chromatography, Spectroscopy, Mass Spectrometry, Separation Techniques,and Newly Emerging Techniques For Separation.

Accordingly, we would be delighted if you would share with us your views on new innovations in research and development and science education issues. You are happy to participate in Keynote Sessions, Workshops & Symposiums, Oral talks and Poster presentations. World HPLC & Separation Techniques international conference also holds several types of sponsorships in proving greater benefits to the members participating from pharmaceutical sectors, lab centers and other market dealers. Our international conference also provides a great support to the business entrepreneurs to promote their products or organization promotion in our conference hall @ Toronto by exhibiting booths.

Finally, we will be highly obliged to see you in Toronto @ World HPLC 2018. Thank You!!

With Best Regards

Joseph Aaron

PAST AND PRESENT KEYNOTE SPEAKERS @ WORLD HPLC 2018 CONFERENCE

Dusan Berek
Principal Research Scientist
Slovakia

Alexey Poyarkov
Head
Phyco-Chemical Laboratory at Life Chemicals Inc.
Canada

Christopher Brown
Full Professor and academic tenure of chemistry, California South University

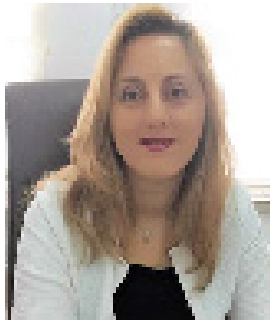

Alireza Heidari
Member Of The Nobel Committee For Chemistry, California South University

Hiroki Kuwano
Professor, Tohoku University, Japan

T.Theivasanthi
International Research Center, Kalasalingam University
India

Esra KUPELI AKKOL
Department of Pharmacognosy, Faculty of Pharmacy
Gazi University, TURKEY

Istvan Halasz
Principal Chemist
PQ Corporation, USA

Gerhard Kratz
Global Sales Director
ABCR GmbH & Co. KG, Karlsruhe, Germany

Boguslaw Buszewski
Professor and Chair of Evironmental Chemistry and Bioanalytics Nicolaus, Copernicus University, Poland

Glimpses of past HPLC Conferences

- **220+** Key Note Speakers
- **6000+** Speakers
- **74+** Workshops
- **62+** Symposiums
- **280+** Special Sessions
- **1700+** Pre Conference Workshop across the Globe
- **1693+** Posters Presentations
- **50+** Best Poster Awardees
- **700+** Young Researchers Forum Presentation
- **60+** Student Ambassadors
- **200+** Exhibitors & Sponsors
- **170+** Association & Societies Collaborations
- **1300+** Media Partners

Last Year's Conference at a Glance

We are Global

120+ Countries Annual Participation

We are Education-Packed

INTERNATIONALLY-RENOWNED SPEAKERS

16 HOURS OF PRESENTATIONS (E.G., KEYNOTES, WORKSHOPS)

50 RESEARCH POSTERS

Toll Free: +1-800-014-8923

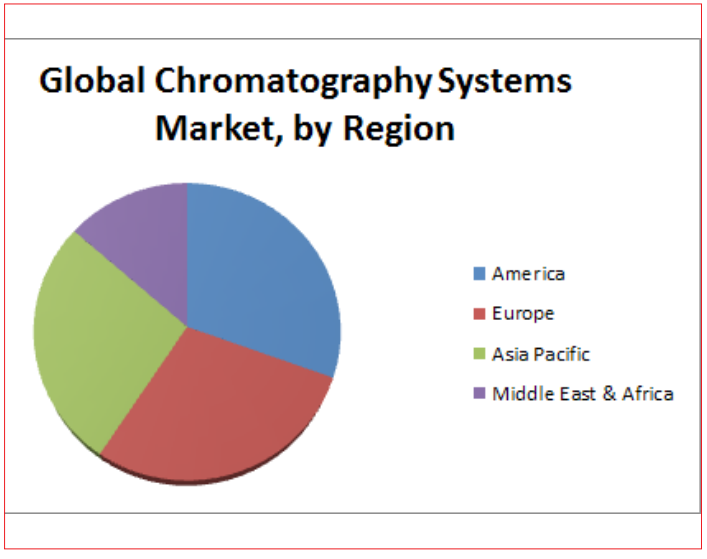

Exhibitor-Friendly

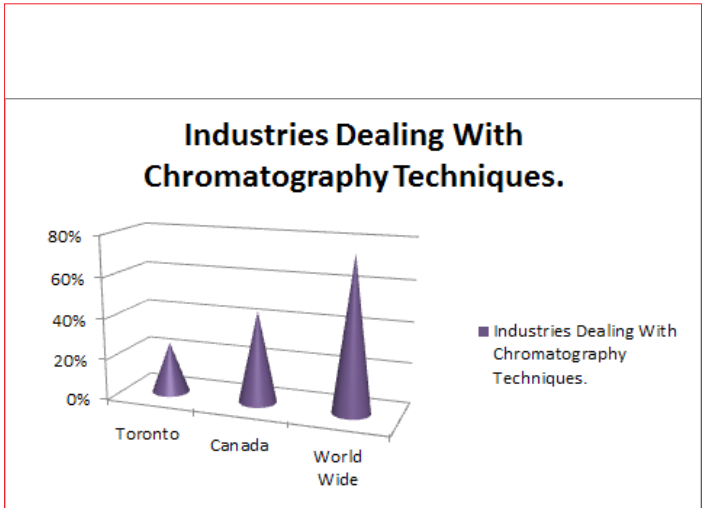

HIGH-TRAFFIC EXHIBIT SPACE

16 HOURS OVER 2 DAYS

EXCELLENT LEADS

We are Well-Attended

About Hosting Organization

ConferenceSeries LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by crossref

WHY TORONTO, CANADA?

Toronto is the provincial capital of Ontario which is the most populous city in Canada which is ranking fourth after the most populous cities like Mexico, New York City and, Los Angeles in North America. It is an international Centre for business administration, finance, arts, tradition and culture which is popularly recognized as one among the multicultural and cosmopolitan cities in the world.

The economy of Toronto is highly varied with the strengths in technology, designs and operations, life sciences, stable financial services, services on food, architecture, fashion, business administrations, promoting education, environmental innovation, and famous tourism. Toronto is also the home for Toronto Stock Exchange, which is also known as Commercial Capital of Canada.

WHY TO ATTEND World HPLC and Related Separation Techniques 2018??

Members from all over the world are very highly focusing on learning various branches in Chemistry like Analytical Chemistry, Pharmaceutical chemistry, Chromatographic techniques and, Mass Spectrometry. It will be a great opportunity for you if you are one among that large assemblage. Overall the newly updated fields are the major hallmarks of the conference.

Who should Attend?

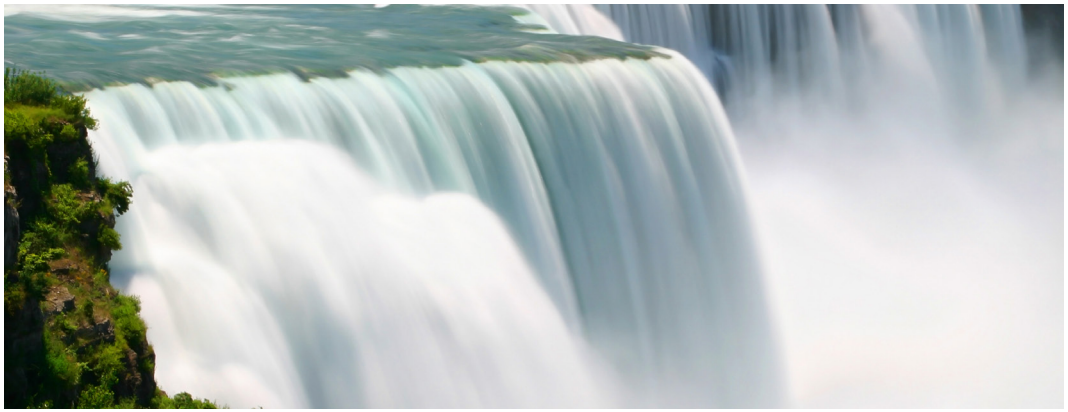

Directors, CEO's from companies, Analytical Instrument Vendors, Professors from Universities and Academic Institutions, Students from pharmaceutical and Analytical chemistry, Young Researchers Forum, Delegates from various Pharmaceutical Backgrounds, Instrumental companies from all over the world, Research & Development companies

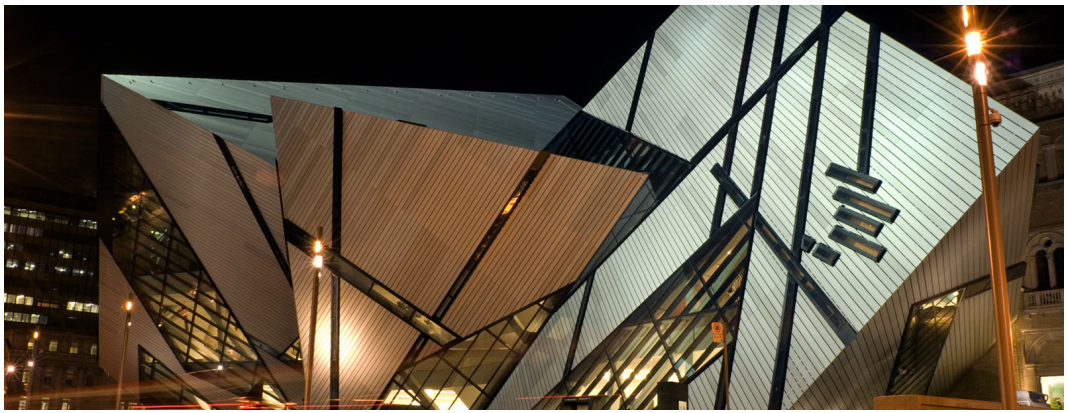

- Chemistry
- Pharmaceutical Sciences
- Drug Designing
- Drug Testing
- Drug Discovery
- Chromatographic Techniques
- Pharmacology
- Cancer Studies
- Neurodegenerative Diseases
- Personalised Medicines
- Virology
- Chemical Biology
- Biomedical Sciences
- Biochemistry
- Organic Chemistry
- Translational Sciences/Medicines

Conference Highlights

- Analytical Chemistry
- Chromatography
- Separation
- Chromatographic Techniques
- HPLC
- HPLC Separation Techniques
- HPLC Instrumentations
- Hyphenated HPLC Methods
- Mass Spectrometry
- Mass Spectrometry in Biological Studies
- Mass Spectrometry and Metabolomics
- New approaches in Mass Spectrometry
- Biological Applications
- Nuclear Magnetic Resonance
- Study on Proteomics
- Pharmaceutical Separation Analysis
- Industrial Analysis
- Electro Chemical Analysis
- Thermal analysis
- Hybrid techniques
- Microscopy
- Lab-on-a-chip

Program @ Glance

August 29, 2018, Wednesday	
Time	Session
08:30 - 09:30	Registration
09:30 - 11:30	Key Note Speech
Group Photo	
11:30 - 11:45	Networking & Refreshment Break
11:45 - 13:00	Track : Analytical Chemistry| Track: HPLC Separation Techniques
13:00 - 13:45	Lunch Break
13:45 - 16:00	Track : Major Chromatographic Techniques | Track : Principles and Applications of HPLC|Track: Hyphenated HPLC Methods
16:00 - 16:15	Networking & Refreshment Break
16:15 - 18:00	Track: Advances in HPLC Instrumentations| Track : Method Development and Validation | Key Benefits of HPLC systems
Day 1 Concludes	

August 30, 2018, Thursday	
Time	Session
09:30 - 10:30	Key Note Speech
10:30 - 11:30	Track : Mass Spectrometry|Track: New approaches in Mass Spectrometry| Track : Mass Spectrometry and Metabolomics
11:30 - 11:45	Networking & Refreshment Break
11:45 - 13:00	Track:Biological Applications of Mass Spectrometry | Tracks : Proteomics Study
13:00 - 13:45	Lunch Break
13:45 - 16:00	Track : Nuclear Magnetic Resonance | Tracks : High temperature Mass Spectrometry
16:00 - 16:15	Networking & Refreshment Break
16:15 - 18:00	Poster Presentations
Award Ceremony	
Day 2 Concludes	

TOURISTS ATTRACTIONS

CN TOWER

The CN Tower is a 553.3 m-high (1,815.3 ft) concrete communications and observation tower in downtown Toronto, Ontario, Canada. Built on the former Railway Lands, it was completed in 1976, and held the record for the world's tallest free-standing structure for 32 years from 1975–2007 and was the world's tallest tower until 2009 being overtaken by Burj Khalifa and Canton Tower, respectively. It is now the third tallest tower in the world and remains the tallest free-standing structure in the Western Hemisphere, a signature icon of Toronto's skyline, attracting more than two million international visitors annually.

ROYAL ONTARIO MUSEUM

The Royal Ontario Museum is a museum of art, world culture and natural history in Toronto, Ontario, Canada. It is one of the largest museums in North America, the largest in Canada, and attracts more than one million visitors every year, the second most for a Canadian art museum after the Montreal Museum of Fine Arts. The museum is north of Queen's Park, in the University of Toronto district, with its main entrance on Bloor Street West. The Museum subway station of the Toronto Transit Commission is named after the ROM, and since 2008, it is decorated to resemble the institution's collection. St. George station is close to the museum's new entrance as well.

RIPLEY'S AQUARIUM OF CANADA

Ripley's Aquarium of Canada is a public aquarium in Toronto, Ontario, Canada. The aquarium is one of three aquariums owned and operated by Ripley Entertainment. It is located in downtown Toronto, just southeast of the CN Tower. The aquarium has 5.7 million liters (1.5 million gallons) of marine and freshwater habitats from across the world. The exhibits hold more than 20,000 exotic sea and freshwater specimens from more than 450 species.

TOURISTS ATTRACTIONS

TORONTO ZOO

The Toronto Zoo is a zoo located in Toronto, Ontario, Canada. Founded by Hugh A. Crothers, an industrialist who became the first Chairman of the Metro Toronto Zoological Society in 1966, the zoo opened on August 15, 1974 as the Metropolitan Toronto Zoo, or simply Metro Toronto Zoo, and is owned by the City of Toronto. The word “Metropolitan” was dropped from its name when the Municipality of Metropolitan Toronto was amalgamated to the current city in 1998. The zoo is located near the Rouge River, along the western border of Rouge Park in the city’s east end district of Scarborough.

LAKE ONTARIO

Lake Ontario is one of the five Great Lakes of North America. It is surrounded on the north, west, and southwest by the Canadian province of Ontario, and on the south and east by the American state of New York, whose water boundaries meet in the middle of the lake. Ontario, Canada’s most populous province was named for the lake. In the Huron language, the name Ontarí’io means “Lake of Shining Waters”. Its primary inlet is the Niagara River from Lake Erie. The last in the Great Lakes chain, Lake Ontario serves as the outlet to the Atlantic Ocean via the Saint Lawrence River.

NIAGARA FALLS

Niagara Falls is the collective name for three waterfalls that straddle the international border between Canada and the United States; more specifically, between the province of Ontario and the state of New York. They form the southern end of the Niagara Gorge. From largest to smallest, the three waterfalls are the Horseshoe Falls, the American Falls and the Bridal Veil Falls. The Horseshoe Falls lies on the border of the United States and Canada with the American Falls entirely on the United States side, separated by Goat Island. The smaller Bridal Veil Falls are also on the United States side, separated from the other waterfalls by Luna Island. The international boundary line was originally drawn through Horseshoe Falls in 1819, but the boundary has long been in dispute due to natural erosion and construction.

REGISTRATIONS

Academic

Only Registration: USD 749
Delegate Registration: USD 349
Package A (Registration + 2 nights' Accommodation): USD 1149
Package B (Registration + 3 nights' Accommodation): USD 1199

Business

Only Registration: USD 799
Delegate Registration: USD 549
Package A (Registration + 2 nights' Accommodation): USD 1249
Package B (Registration + 3 nights' Accommodation): USD 1349

Student

Student YRF: USD 249
Student Poster: USD 299 (USD 199 + USD 100 for Poster)
Package A (Registration + 2 nights' Accommodation): USD 799
Package B (Registration + 3 nights' Accommodation): USD 849
Video Presentation: USD 249
E-poster: USD 99

Group Registrations Benefits:

25% Discount for a group of 5 members
30% Discount for group of 10 members
40% Discount for group of 20 members

Localities Participation Benefits:

40% Discount will be provided for the participants who are attending from the local universities and hospitals.

Important DATES:

Abstract submission opens: **October 03, 2017**
Registration opens: **November 11, 2017**
On spot registration: **August 29, 2018**
