Meriem Harrabi, Pasteur Institute of Tunis, Tunisia

SLOTS ARE AVAILABLE

Poster Presentations slots / Video Presentation slots are available
Oral/Poster presentations slots are available

Panel Discussion

Day 2

March 03, 2020

Keynote Forum

TBA **Title:** Prognostic Impact of PPP2R5C Gene Expression in Adult Acute Myeloid Leukemia Patients with Normal Cytogenetics
Maha El Taweel, National Cancer Institute, Cairo University, Egypt

TBA **Title:** patient safety in Haematology and oncology
Umesh Prabhu, Medical Director, India

SLOTS ARE AVAILABLE

Coffee Break @ 10: 50 - 11:10 Breakout Area

Session Introduction

Clinical and Experimental Hematology | Ebola and Zika Viral Infections | Microbial Pathogenesis and Virulence | Various Aspects of Hematology

Session Chair **Weijie Li, University of Misourri-Kansas City School of Medicine, USA**

TBA **Title: Structural parameters for WBC in Adult Sepsis**
Namrata Punit Awasthi, Dr. Ram Manohar Lohia Institute Of Medical Sciences, India

TBA **"Title: Infection Associated with Intravascular Therapy"**
Leah M. Agreda-Cadete, Saint Paul's Hospital Iloilo, Philippines

TBA **Title: Non-Hodgkin's lymphoma (NHL), occupations and environment**
Chahrazed Kandouci, University of Sidi Bel-Abbes, Algeria

SLOTS ARE AVAILABLE

Lunch Break 12:30 - 13:30 @ RBG
Coffee Break @ 16: 00 - 16:20 Breakout Area

SLOTS ARE AVAILABLE

Poster Presentations 16: 20 - 17:00 @ Breakout Area

Poster Judge: **Luis F Guido,** University of Porto, Portugal

TBA **Title:** Purification and characterisation of lectin isolated from nigeria achatina achatina snail.
Odiegwu C.N.C. , Nnamdi Azikiwe University-Nnewi Campus, Nigeria

TBA **Title:** Antimicrobial susceptibility patterns of isolates from cases of neonatal sepsis in an Ethiopian Referral hospital
Oumer Sada , Addis Ababa University, Ethiopia

TBA **Title:** Adherence to Treatment in Hemoglobinopathies: the Way to Achieve Patient-Centered Care
Mahmoud Hadipour Dehshal, Charity Foundation for special Disease, Iran

TBA **Title:** Expression of microRNA-181a and microRNA-196b in Egyptian pediatric acute lymphoblastic leukemia.
Maha El Taweel, National Cancer Institute, Cairo University, Egypt

SLOTS ARE AVAILABLE

Poster Presentations slots are available
Oral/poster presentations slots are available
Panel Discussion & Award Ceremony

Networking & Panel Discussion

Note: The final timings and speaker slot will be update soon
