Invitation

Conference Series welcomes you to attend the Annual Congress on Research and Innovations in Medicine, which is going to be held in Bangkok, Thailand during July 02-03, 2018.

We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Research and Innovations in Medicine.

World Medicine 2018 anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals.

This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer.

The main theme of the conference is "Current Research and Innovations in Medicine to Improve Human Health".

Regards,
World Medicine 2018
Organizing Committee

Tentative Agenda

July 02, 2018

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Advances in Internal Medicine | Epidemiology Healthcare
13:00-13:45	Lunch Break**
13:45-16:00	Public Health and Community Medicine | Advances in Physical Medicine and Rehabilitation
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Regenerative Medicine and Reproductive Medicine | Family Medicine and Nutritional Medicine
	Day Concludes

July 03, 2018

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Advanced Biomedical Research and Clinical Research | Cancer Research and Molecular medicine
11:30-13:00	Infectious Diseases and Critical Care Medicine | Traditional, Complementary and Alternative Medicine
13:00-13:45	Lunch Break**
13:45-16:00	Chronic Disease Management | Pharmacology and Pharmaceutics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Innovations in Biomaterials and Biomechanics | Innovations in Medical Devices
	Day Concludes

About Conference

The field of Research and Innovations in Medicine is growing rapidly and its development is making tremendous impacts in Pollution. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

World Medicine 2018

- *Opportunity to attend the presentations delivered by eminent scientists from all over the world*
- *Selected contributions will be published in following Conference Series Journals*
    - *Biology and Medicine*
    - *Archives of Medicine*
    - *Medicinal Chemistry*
    - *Journal of Nanomedicine & Biotherapeutic Discovery*
- *Participation in sessions on specific topics on which the conference is expected to achieve progress*
- *Global networking: In transferring and exchanging Ideas*
- *Share your excitement in promoting your skills in the field of designing*
- *Conference brings together Scientific Researchers, Business Entrepreneurs and Industry Developers*

About Us

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

About Bangkok

Bangkok is the capital and most famous city of the Kingdom of Thailand. Bangkok is linked with the other nations through the national highway and rail systems, and in addition by domestic and International flights to and from the city's two international airports. Road based transport is the principle mode of transport in Bangkok. The Skytrain and underground rail systems connect the fundamental shopping, amusement and business regions of the city.

Bangkok is also called as "Krung Thep" which implies "City of Angels" and is a famous tourist destination, visited by a large number of guests from all around the world. The city is the well-known tourist spot of the entire East Asia and represents a mix of tradition and modernity. Guests will appreciate its advanced skyscrapers, luxury hotels and shopping malls, alongside the traditional Thai culture that still retains its own charm. There are a lot of things to see and do in Bangkok; the city has impressive temples, galleries, showcases, shopping centers, various bars, night club and cinemas and also, there are numerous cultural attractions, for example, national museums, the Siam Society, the Thailand Cultural Center and the National Library. One of the most famous destinations is the floating market of Damnoen Saduak.
