Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for World Medicine 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Research and Innovations in Medicine.

About Bangkok

Bangkok is the capital and most famous city of the Kingdom of Thailand. Bangkok is linked with the other nations through the national highway and rail systems, and in addition by domestic and International flights to and from the city's two international airports. Road based transport is the principle mode of transport in Bangkok. The Skytrain and underground rail systems connect the fundamental shopping, amusement and business regions of the city. Bangkok is also called as "Krung Thep" which implies "City of Angels" and is a famous tourist destination, visited by a large number of guests from all around the world. The city is the well-known tourist spot of the entire East Asia and represents a mix of tradition and modernity.
