Program Announcement

Venue
Kyoto, Japan

Important Dates
Abstract submission opens : November 15, 2018
Registration opens : November 15, 2018
Early bird registration : December 25, 2018
On spot registration : July 24, 2019
Registration closes : July 24, 2019

Accommodation
A large number of rooms have been reserved. Discounted room rates for World Medicine 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of medicine.

About Kyoto
Kyoto is one of the famous and beautiful cities in Japan which is in the Kansai region of Japan and it is known throughout the globe for its stunning beauty. It is country's seventh largest city with the population of around 1.4 million people. Today Kyoto is the modern city but retains many of its long-established traditions. It is one of the major tourist attractions in Asia because of the majestic palaces, statues, and villas, as well as by the carefully tended Japanese gardens. Osaka's Kansai international airport is the nearest airport to the Kyoto. The way to get to Kyoto from the Kansai International airport is by trains or airport buses which will take around 70-100 minutes. The temperature in Kyoto may ranges from 24C to 13C. Kyoto was the capital of Japan for over a thousand years and known for cultural and historical heart of the Japan. It is the best place to experience traditional temples, historical places, gardens, famous restaurants and many festivals in Japan. Kyoto has many beautiful tourist attractions such as Buddhist temples, Shinto shrines, Japanese gardens and many more. Kyoto's attractions include Fushimi Inari Shrine, the Gion geisha district, Arashiyama's bamboo forest and the historic Higashiyama District.
