IVENUE

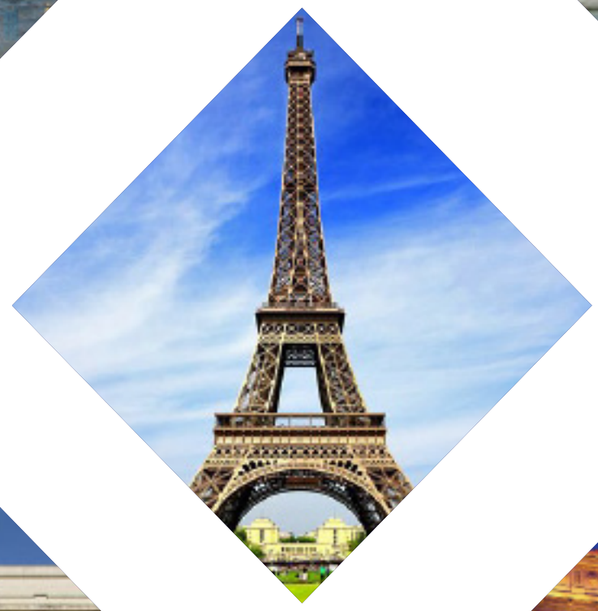

The city of Paris is the capital of France, which is viewed as perhaps the most significant and most beautiful European urban areas in light of the highlights of stylish and social. For many years Paris has been one of the world's most important and attractive cities.

Paris is positioned at the centre of the French region that is crossed by the Seine, Oise, and Marne rivers. The location on the western side of Europe and in a plain relatively close to the sea, Paris benefits from the balmy influences of the Gulf Stream and it also includes a fairly temperate climate.

In Worldwide Cost of Living Survey in 2018, According to the Economist Intelligence Unit Paris was the second most expensive city in the world. Paris is most popular for tourist attraction as its famous for its art, culture and history.
