14th World Nephrology Conference

conferenceseries.com

July 23-24, 2018 Melbourne, Australia

World Nephrology 2018

Theme: "Advanced innovations and current trends in the field of Nephrology"

https://worldnephrology.conferenceseries.com/

Who Should Attend?

This activity has been designed to meet the educational needs of CEOs, CMOs, physicians, physician assistants, surgeons, psychologists, nurses, behaviorists, program administrators, and other professionals from hospitals, ACOs, private practices, large group practices and clinics. Those who are currently involved in the renal care individuals or exploring opportunities that provide a total wellness solution are encouraged to attend.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing fi ve minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

• Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation. Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS. A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of World Nephrology 2018. The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum off ers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the World Nephrology 2018, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Tourist Attractions

Venue

Affectionately called “marvellous Melbourne” all through the gold rush of the 1850s, the call continues to be used today for Australia’s Second biggest metropolis. Positioned at the banks of the Yarra River, close to the entrance to Port Phillip Bay, Melbourne is a present day metropolis steeped in records. ECU settle- ment started out in 1935, but the discovery of gold in 1851 saw a population growth with many prospectors settling in Melbourne. With huge wealth generated from the close by goldfields, majestic buildings have been built all through the town. Many of these buildings nonetheless stand nowadays, and Melbourne is regarded as having extra examples of Victorian architecture than any other town in Australia. Melbourne is a “town for all seasons”. From wandering the hidden laneways and grand tree-coated streets to the acres of metropolis gardens and parklands, Melbourne is vibrant, stylish, and multicultural. Melbourne prices profoundly in training, diversion, social coverage, progressive work, tourism and sport, making it the sector’s most reasonable city as indicated by way of the economist intelligence unit. It is a major budgetary focus within the Asia-pacific district, and positions a few of the foremost 30 city areas on earth inside the international financial centres index. Alluded to as Australia’s “social capital”, it’s far the beginning of Australian impressionism, australian hints football, the australian film and broadcast groups, and australian contemporary move, for example, the Melbourne shuffle.
