World Nephrology 2019

conferenceseries.com

15th World Nephrology Conference

May 20-21, 2019 Tokyo, Japan

Theme: "Recent advancements of research and treatment in the field of nephrology"

Who Should Attend?

This activity has been designed to meet the educational needs of CEOs, CMOs, physicians, physician assistants, Nephrology Specialists, Pediatricians, Pharmacists, Students surgeons, psychologists, nurses, behaviorists, program administrators, and other professionals from hospitals, ACOs, private practices, large group practices and clinics. Those who are currently involved in the Kidney care individuals or exploring opportunities that provide a total wellness solution are encouraged to attend.

World Nephrology 2019 is an international platform for presenting research about diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in pediatrics and child health for the benefit of both the academia and business.

Abstract Information: Oral / Poster Presentation Guidelines

Oral Presentations are generally split into TWO categories, as follows:

1. Plenary Lectures

- Each Plenary lecture is 25 minutes in length and comprises one presentation. We recommend you plan to present for approximately 20 minutes with 5 minutes for questions/discussion.
- Where Plenary Lectures are presented as debates, each of two speakers should plan to present for 20 minutes, allowing fi ve minutes for closing questions and conclusions. We recommend that invited speakers communicate in advance of the Moderator so that presentations may be coordinated.

2. Oral Sessions

• Each Oral Session is 60 minutes in length and comprises two presentations, of 30 minutes each. We recommend that you plan to present for approximately 15 minutes, allowing time for questions/ discussion at the end of the presentation. Please prepare you presentation in 16:9 format (screen are in format 16:9). We recommend you to save your PowerPoint presentation using PPT(X) format instead of PPS. A technician is available in every session room to provide assistance when needed. Due to the online presentation system, all speakers are kindly requested to use provided PC onsite. Please be present in the session room 15 minutes prior the start of your session and follow the instructions from the Chairs and/or technician. During your presentation a remote control will be available for controlling your presentation. Please observe the time allotted to you as you will not be permitted to speak for longer time. At the end of the Congress, all presentations will be deleted from the presentation system and computers on-site.

Speaker Preview Room

All speakers are asked to upload their presentation at the Speaker Preview Room (located in the Registration area) at least one hour before the beginning of the session or the day before in case of a morning session.

Poster Guidelines

The poster exhibition will be an integral part of World Nephrology 2019. The poster exhibition will be located on the exhibition area of the congress centre. The area will be clearly signposted from the registration area.

Technical Instructions:

- Posters must be prepared in Portrait style.
- Please DO NOT prepare a landscape poster
- The dimensions should be 100 cm high by 70 cm wide
- Posters should be attached to the boards with stickers, which you will be supplied to the organizers.
- Poster session schedule Posters will be displayed and presented in session.

Please plan to be at your poster and available to answer questions from delegates at the time of your assigned poster session. Posters will be displayed according to the POSTER numbers given by the organizers and will be grouped by sub topic.

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the World Nephrology 2019, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. Participants should be below the age of 33 years. All submissions must be in English.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Tourist Attractions

Venue

Tokyo is Japan's capital and the world's most swarmed city. It is in like manner one of Japan's 47 prefectures, involving 23 central city wards and different urban territories, towns and towns west of the downtown zone. The Izu and Ogasawara Islands are in like manner part of Tokyo. Going before 1868, Tokyo was known as Edo. A little fortress town in the sixteenth century, Edo transformed into Japan's political concentration in 1603 when Tokugawa Ieyasu developed his medieval government there. A few decades later, Edo had formed into one of the world's most swarmed urban zones. With the Meiji Restoration of 1868, the sovereign and capital moved from Kyoto to Edo, which was renamed Tokyo. Tremendous parts of Tokyo were destroyed in the Great Kanto Earthquake of 1923 and perceptible all around strikes of 1945. Today, Tokyo offers an obviously unlimited choice of shopping, fervor, culture and devouring to its visitors. The city's history can be recognized in region, for instance, Asakusa, and in various brilliant presentation lobbies, critical havens and nurseries. Contrary to normal wisdom, Tokyo furthermore offers different engaging green spaces in the downtown region and inside by and large short get ready rides at its edges.
