About the conference

The Conference Series LLC Ltd is delighted to invite you to the “20th World Nephrology Conference”, taking place at Zurich, Switzerland on February 22-23, 2024. The conference was titled “WORLD NEPHROLOGY 2024”.

Nephrology conference serves as a significant platform for healthcare professionals, researchers and experts in the field of nephrology to gather and exchange knowledge, insights and the latest advancements. These conferences provide a unique opportunity to discuss emerging trends, cutting-edge research and innovative treatment modalities related to kidney health and diseases. Attendees benefit from attending keynote presentations, panel discussions, workshops, and poster sessions that cover a wide range of topics, including chronic kidney diseases, transplantation, dialysis techniques, hypertension, and more. Nephrology conferences also foster networking among professionals, facilitating collaborations and the sharing of best practices. Such events contribute to the continuous improvement of patient care, the dissemination of evidence-based practices, and the overall advancement of nephrology as a medical discipline..

Theme: “Global Innovations and Breakthroughs in Nephrology & Renal Sciences”.

Why to attend the conference

To learn about Nephrology and its advances; this is the opportunity for nephrology associated members to reach the largest assembly of participants from the nephrology civic. Conduct presentations, distribute information, meet with current and impending scientists, make a stride with new remedy developments and receive acknowledgement at this 2-day Euro Nephrology event. World-renowned speakers, the most current techniques, developments, and the most recent updates in nephrology are promises of this symposium.
