About the conference

Welcome to the 21st World Nephrology Conference, scheduled to be held on March 24-25, 2025, in the vibrant city of Amsterdam, Netherlands. This conference, also known as World Nephrology 2025, promises to be a gathering of renowned experts, scholars, and practitioners in the fields of nephrology, urology, and therapeutics.

The theme of World Nephrology 2025 is “Recent advancements of research and treatment in the field of nephrology.” This theme underscores our commitment to exploring the latest research findings, technologies, and treatment modalities in nephrology and urology, with a focus on translating these advancements into practical applications for improved patient care.

World Nephrology 2025 aims to provide a platform for the exchange of knowledge and ideas among professionals involved in nephrology, urology, and therapeutics. The conference will feature a wide range of sessions, including keynote lectures, plenary sessions, interactive workshops, and poster presentations, covering the latest developments and best practices in the field.

Theme: “Recent advancements of research and treatment in the field of nephrology”.

Why to attend the conference

World Nephrology 2025 welcomes professionals from various disciplines who are interested in the fields of nephrology, urology, and therapeutics. The conference is open to: Nephrologists: Specialists in the diagnosis and treatment of kidney diseases. Urologists: Physicians specializing in the urinary tract and male reproductive system. Researchers: Scholars and researchers exploring advancements in nephrology and urology. Academicians: Educators involved in teaching and training in nephrology and urology.
