CHICAGO, USA- ATTRACTIONS

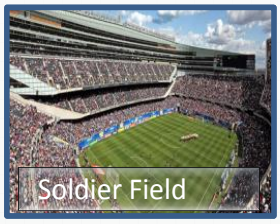

About Chicago, USA:

Chicago, on Lake Michigan in Illinois, is among the largest cities in the U.S. Famed for its bold architecture, it has a skyline punctuated by skyscrapers such as the iconic John Hancock Center, 1,451-ft. Willis Tower (formerly the Sears Tower) and the neo-Gothic Tribune Tower. The city is also renowned for its museums, including the Art Institute of Chicago with its noted Impressionist and Post-Impressionist works. A city as Chicago is one that everyone should visit and experience.

Climate in Chicago:

Chicago is beautiful in every single season. Chicago's climate is typically continental with cold winters, warm summers, and frequent short fluctuations in temperature, humidity, cloudiness, and wind direction. Many consider the more moderate temperatures of spring and fall to be the most pleasant.

Holiday to Chicago:

A trip to Chicago is thé perfect get-away. One weekend or a couple of days in Chicago will be enough to make you feel one with the city and forget about the daily routine back home. Wander around, experience the arty culture, shop until you drop, visit the highlights, just relax in a city park and enjoy the stunning view from the Willis Tower. Sleeping in Chicago doesn't have to be expensive; Chicago has a city-campsite and lots of hostels. But if your budget allows it and when you are looking for more luxury, there are also plenty of fancy hotels in Chicago.
