Dear Attendees,

We are glad to announce the 26th World Nursing and Healthcare Conference be held in Berlin, Germany from May 18-19, 2020 organized by Conference Series llc LTD, in collaboration with generous support and cooperation from enthusiastic academicians and etditorial Board Members.

Nursing studies will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective concepts on scientific Nursing Education and Healthcare.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the World Nursing Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Berlin this May.

Sincerely,
World Nursing 2020

About Berlin

It was always an amazing idea to have a trip to Berlin! Berlin Waits For You

Berlin is the capital and the major city of Germany, as well as one of its 16 constituent states. With a progressively growing population of approximately 3.7 million, Within the terms of population, Berlin is that the Second most populated town within the global organization and therefore the seventh most occupied geographical area within the global organization. Situated in northeastern Germany on the banks of the rivers Spree and Havel, it is the center of the Berlin-Brandenburg Metropolitan Region, which has coarsely 6 million residents. Due to its place in the European Plain, Berlin is prejudiced by a temperate seasonal climate. Around one-third of the city's area is self-possessed of forests, parks, gardens, rivers, canals and lakes. Berlin is an environment city of culture, politics, media and science. The metropolis is a general tourist terminus. Significant industries also comprise IT, pharmaceuticals, biomedical engineering, clean tech, biotechnology, construction and electronics. Berlin is home to world-renowned universities, orchestras, museums, and entertaining venues, and is host to many sporting events. Its Zoological Garden is the furthermost visited zoo in Europe. With the world's oldest important movie studio complex, Berlin is a progressively popular location for international film productions.
