An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Ophthalmology & Optomtery.

About Perth, Australia

Perth is the capital of Western Australia and is the largest city of Australian state. It is situated in a narrow strip between the Indian Ocean and the Darling Scrap along with the banks of River Swan. To the west of the city Kings Park is located, which has over 400 hecters of natural Australian bush commanding the city center and Swan River. The view is quite unique and is a must try for any visitor. Perth has more hours of sunshine than any other city of Australia. Hence, it owns a tag of 'City that never sleeps'. Due to the delayed sunset, Perthians have the privilege to spend more times outdoors along the banks of Swan River. The river provides a good opportunity for the visitors to enjoy the beautiful weather and involve in different water sports such as boating, sailing, water skiing, rowing, fishing, swimming or just cruising the river on ferries, etc. Perth also has tropical reefs. woodlands, towering forests, rugged gorges, bush, dessert, white beaches and 12, 500 kilometers of coastline.

We welcome you to Perth to be the part of the conference, balanced with enjoyment of Western Australia's rich cultures, fine cuisine, wine, arts, beaches and landscape.
