About the conference

Welcome to the 8th World Pediatrics Conference, convening on October 21-22, 2024, in the vibrant city of Tokyo, Japan. Our mission is to foster collaboration, innovation, and excellence in pediatric care, bringing together leading experts, researchers, clinicians, and policymakers from around the globe.

With a vision to advance the health and well-being of children worldwide, this conference serves as a platform for sharing cutting-edge research, best practices, and advancements in pediatric medicine. Through insightful discussions, interactive sessions, and networking opportunities, we aim to address the most pressing challenges facing pediatric healthcare today.

Together, we strive to improve outcomes, promote health equity, and ensure that every child receives the highest quality of care. Join us in Tokyo as we work towards a brighter future for pediatric health, shaping the landscape of children's healthcare for generations to come.
