Oct 31-Nov 01 2018

San Francisco is the cultural, commercial, and financial Centre of Northern California. Situated on a peninsula separating San Francisco Bay from the Pacific Ocean, San Francisco is a uniquely picturesque city, whose scenic attractions include the largest cultivated urban park in the country, Golden Gate Park. Its notoriously steep streets, traversed by the famous cable cars, are home to a remarkably diverse ethnic population, and the city's reputation for tolerance and diversity is also evident in its history as a mecca for the gay community.

San Francisco offers state-of-the-art health-care facilities. The San Francisco metropolitan statistical area had 5,209 office-based physicians in 1995 when its 23 community hospitals had 4,999 beds. San Francisco's largest hospital is San Francisco General Medical Center, with 550 beds and a highly respected emergency and trauma center. The hospital was also the site of the first specialized AIDS unit in the country. In 1996– 97, it had 23,764 admissions, 391,661 outpatient visits, and employed 3,239 people. Other health-care facilities include the University of California at San Francisco Medical Center, St. Francis Memorial Hospital, and Seton Medical Center.

Air transportation: Though located 13 miles (21 km) south of downtown in unincorporated San Mateo County, San Francisco International Airport (SFO) is under the jurisdiction of the City and County of San Francisco. SFO is a hub for United Airlines and Virgin America. SFO is a major international gateway to Asia and Europe, with the largest international terminal in North America. In 2011, SFO was the 8th busiest airport in the U.S. and 22nd busiest in the world, handling over 40.9 million passengers. Located across the bay, Oakland International Airport is a popular, low-cost alternative to SFO. Geographically, Oakland Airport is approximately the same distance from downtown San Francisco as SFO, but due to its location across San Francisco Bay, it is greater driving distance from San Francisco.

Tourist attractions: Golden Gate Bridge, Alcatraz Island, Fisherman's Wharf, Golden Gate Park, Pier 39, Coit Tower, Presidio of San Francisco, Palace of Fine Arts Theatre, Twin Peaks, California Academy of Sciences, Union Square, Ghirardelli Square, Japanese Tea Garden, De Young, Crissy Field, Exploratorium, San Francisco Cable Car Museum, San Francisco Maritime National Historical Park, Conservatory of Flowers, The Walt Disney Family Museum, Angel Island, Baker Beach, Legion of Honor, Asian Art Museum, San Francisco Zoo, San Francisco City Hall, San Francisco Museum of Modern Art, Aquarium of the Bay.
