BENEFITS

The forum will provide an opportunity for collegial interaction with other speakers and established connections across the globe.

Young Researcher Award will be given to the best presentation by the organizing committee member.

SPEAKER'S PPT

You may submit your presentation to any of our onsite organizers on the day of your talk. If your presentation is not compatible with our laptops, then you may also use your own laptop.

YOUTH FORUM

Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event.

Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

POSTER GUIDELINES

This competition is open to all students (Graduates, Post Graduates and Research Scholars not above the age of 35).

The abstract submission deadline for poster competition will be closed one month before the conference date (this is subject to change), hence all are requested to submit their abstracts well in advance.

The abstract should include complete details of the participant (e.g., abstract title, name, affiliation, abstract, biography etc.,) For sample template, drop us a mail on vaccines@alliedevents.org

Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated through email and those will be displayed on the website as well.

PROGRAM AT A GLANCE

VENUE

Paris, a city in France has been one of the world's most important and attractive cities for centuries. The city is situated in the north-central part of the country, located along the Seine River, and has spread from the island (the Ile de la Cite) far beyond both banks of the Seine. Paris has been a major center for business and commerce, for study, for culture, fashion, gastronomy, science, haute couture painting, literature, and intellectual community.

The city is also known for being the second most expensive city in the world according to the Economist Intelligence Unit Cost of Living Survey in 2018. 88% of the population speaks French followed by English, Spanish, German and Italian.

Venue Address
