Program Announcement

Venue
Osaka, Japan

Important Dates
Registration opens: August 01, 2018
Early bird registration: October 22, 2018
On spot registration: May 13, 2019
Registration closes: May 14, 2019

Accommodation
A large number of rooms have been reserved. Discounted room rates for International Conference on Cancer Science and Diagnostics participants are pro¬posed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An exhibition will be held concurrently with the conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to Exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cancer & Oncology.

About Osaka
Osaka is located in the humid subtropical climate zone with four distinct seasons. Its winters are generally mild, the flower fields offer a wide variety of flowers in the month of May however, the region is most famous for its lavender which attracts large numbers of visitors every summer, when the plants are in full bloom. Spring in Osaka starts off mild, but ends up being hot and humid. Greater Osaka has an extensive network of railway lines, comparable to that of Greater Tokyo. Osaka is served by two airports outside of the city, Kansai International Airport which handles primarily international passenger flights and Osaka International Airport which handles mostly domestic services and some international cargo flights.
