WELCOME ADDRESS

Dear Attendees,

The Woundcare Europe 2022 Organizing Committee is absolutely delighted to welcome you to the **12th International Conference on Advances in Skin, Wound Care and Tissue Science** which will be held in **Paris, France** on **November 23-24, 2022,** where we will be shining a spotlight on *"Fostering Advances in Wound Healing and Tissue Regeneration Techniques"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which stands on the River Thames in southeast England, which is called as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2022 for an experience of a lifetime.

With Regards
Woundcare Europe 2022

ABOUT PARIS

Paris is the capital city of France, Paris is crossed by the river Seine Paris is one of the greatest visited cities in Europe and receives over 30 million tourists each year (pre-2020).situated on the River Seine, in northern France, the Paris is a metropolitan area is one of the most occupied areas of its kind in Europe, with a populace of roughly 12 million, including 10 million in the Paris urban area, plus the population of the commuter belt neighbouring it. Paris has a populace of a little over 2 million within city limits.

What would Paris be without its figurative Eiffel Tower? Built by Gustavo Eiffel to commemorate the centenary of the French Revolution, it is presented at the Exposition Universal in Paris in 1889. 324 meters high, it is one of the most visited monuments in the globe with nearly seven million visitors a year.

One of the most lasting symbols of Paris: Notre-Dame de Paris, also recognized as Notre Dame, a Roman Catholic Church is located on the eastern half of the Ile de la Cite. It is widely considered one of the finest illustrations of French Gothic architecture in France and Europe. Begun in 1163 and finalized in 1345, this church is a sight with its porches surrounded by his many statues and gargoyles that adorn the roof.

The Louvre is the maximum visited art museum in the world. Found in the heart of Paris, this historic building is a previous royal palace, with an area of 210,000 square meters counting 60,600 for the displays. The museum is contained in the Louvre, originally a lock erected in the late 12th century under Philip II. The remains of the fort are visible in the basement of the museum.
