ABOUT DUBAI

One of the best cities in the United Arab Emirates is considered to be Dubai. It is well-known for a variety of things, but primarily for being one of the most opulent cities with cutting-edge structures and design. Dubai is a key financial and trading hub, and one of the fastest growing cities in the world. Helped by its strategic geographical location and “exceptional infrastructure”, Dubai has emerged as a prominent global trading city connecting markets around the world. Dubai is famous for wealth, being expensive, and being a popular luxury travel destination, but Dubai is also famous for its souks, the Dubai Creek, some history and culture, camel riding, dune bashing and worker exploitation. The largest suspended aquarium in the world, with a 10 million litre capacity, is the Dubai Aquarium Tank!

Dubai is particularly famous for its eye-catching landmarks, including Burj Khalifa (the world’s tallest building), Dubai Mall, The Dubai Fountain, Burj Al Arab, Palm Jumeirah (a man-made island in the shape of a palm tree) and many more. The latest addition to the skyline is the stunning Museum of the Future. Dubai is also known for its picturesque beaches and desert landscapes, as well as its excellent culinary scene. Dubai Miracle Garden is the world’s largest flower garden. The garden displays more than 50 million flowers with more than 70 species of flowering plants.
