2018

**Los Angeles** is toughly gorgeous, profoundly imaginative, with a radiant aura to boot. Los Angeles is one of the world's great cultural cities, home to exceptional art collections, world-shaking architecture and an extraordinary melting pot of cultures. But it's the incomparable beauty of its setting that sets it apart. Los Angeles is California's most populous and the nation's second biggest after New York City. Nicknamed the City of Angels, Los Angeles is a world focus of business, universal exchange, science, culture, diversion, form, media, games, innovation, and instruction. It is home to popular organizations covering an expansive scope of expert fields. It is a standout amongst the most generous financial motors inside the United States. As the home base of Hollywood, it is known as the "Amusement Capital of the World," driving the world in the formation of movies, computer games, TV programs, and recorded music.

Los Angeles is known for its Mediterranean climate, ethnic diversity, sprawling metropolis, and as a major center of the American entertainment industry. Los Angeles lies in a large coastal basin surrounded on three sides by mountains reaching up to and over 10,000 feet (3,000 m). Los Angeles is regularly charged as the "Imaginative Capital of the World". The Los Angeles metro area is the second-largest broadcast market area in the U.S.
