About Conference

We are delighted to invite you to attend the **13th World Pediatric Congress** scheduled to take place in Istanbul, Turkey, on November 14-15, 2019. The congress will be organized on the theme "Revitalizing Innovations in Pediatrics". It is a great pleasure for us to welcome all the pediatricians, Neonatologists, Perinatologists, nurses, researchers, students and delegates to take part in this upcoming congress to share views and knowledge through interactive keynote, plenary, poster and B2B discussions in the field of pediatrics. This conference provides an excellent opportunity to establish research collaborations & networking, and to discuss the latest developments & challenges within the field.

WPC 2019 provides three days of robust discussions on methods and strategies related to diagnosis, prevention and management of pediatric diseases as well as explore new ideas and concepts on a global scale and the topics include Child Abuse & Behavioral Disorders, General Pediatrics, Neonatology & Perinatology, Pediatric Auto-immune Disorders, Pediatric Cardiology & Pulmonology, Pediatric Care & Nursing.
