Invitation…

Dear Colleagues,

Conference Series llc LTD Ltd is very delighted to invite you all to the "5th World Congress on Natural products, Medicinal plants and Traditional Medicines" (Natural Medicine 2018) scheduled on November 05-06, 2018 at Singapore. We are progressively working for the initiation of new world, perspectives and views in the field of pharmaceutical Sciences. ConferenceSeries Ltd is providing a great platform for thousands of pharmacists meet, learn, share and exchange views. We are concentrating on a view that everyone should gain from the conference. So, we are organizing plenary sessions, poster exhibitions and section programs, workshops at the conference.

ConferenceSeries Ltd is a world class conference organizer, which have highly talented conference organizers around the globe. We have 70,000 editorial board members for ConferenceSeries Ltd journals and also 600+ Scientific conferences.

Natural Medicine 2018 anticipates international keynote lectures, oral presentations by renowned speakers and poster presentations by students, Natural medicines Exhibitions and delegates from all around the world which will craft a platform for global promotion of safe and effective natural therapies. It provides international networking and opportunities for collaborations with worldwide companies and industries. It promotes better understanding by the general public about the importance of Natural Products in prevention, diagnosis and treatment of diseases.

With members from around the world focused on learning about Traditional Medicines and Natural Products, this is the best opportunity to reach the largest assemblage of participants from the Plant Science. This global event will be an excellent opportunity to conduct presentations, distribute information, meet with current and potential scientists, make a splash with new advancements and developments, and receive name recognition at this 2-day event. World-renowned speakers, the most recent techniques, developments, and the newest updates in Plant Science are hallmarks of this conference.
