City Attractions

Venue

Sydney, the capital of New South Wales, Australia is known as the Harbour City. It's the largest, city with a population of around 4 million. It has an enviable reputation as one of the world's most beautiful and lies amid a seductive intermingling of land and sea. Sydney is a major global city and one of the most important cities for finance in the Asia-Pacific. Sydney is built around a hugeharbor and hosts many tourist attractions as well as a number of beaches, bays and a couple of national parks. Brimming with history, nature, culture, art, fashion, cuisine, design, Sydney's set next to miles of ocean coastline and sandy surf beaches. Long-term immigration has led to the city's reputation as one of the most culturally and ethnically diverse cities in Australia and the world. The city is also home to the Sydney Opera House and the Sydney Harbour Bridge, two of the most iconic structures on this planet. Sydney's 4,757,083 residents sprawl over an area of more than 12,350km. Sydney was the site of the first British colony in Australia, which was set up in 1788. The general area classified under Sydney is actually broken up into 38 separate governmental districts over an area of around 1687 square kilometres. Sydney was originally going to be named "Albion", but its founder, Arthur Phillip, changed the name in recognition of Thomas Townshend Lord Sydney's efforts in authorising the colony's establishment. Sydney annually ranks among worldwide Top Ten Most Liveable Cities lists.
