Invitation…

Dear Colleagues,

Conference Series LLC extends its welcome to **7th International Conference on Telemedicine, eHealth & Health Informatics** During **November 16-17, 2018** at **Melbourne, Australia**.

We organizes 3000+ Global Events with over 1000+ Conferences, 1000+ Symposiums and 1000+ Workshops in USA, Europe, Middle East & Asia pacific with support from 1000 more scientific societies and publishes 700+ Open access journals which contains over 30000 eminent personalities, reputed scientists as editorial board members.

Theme of the conference "**Utilizing telecommunication for a better Healthcare**" is designed in such a way to mainly focus on Medicine and informatics, it is now being extensively used in medical and healthcare sectors. We hope Telemedicine Congress 2018 is the best platform to discuss the basic principles involved in the development of Clinical services and research. As this conference deals with the basics concepts, students, delegates, academicians and business people can attend the conference to root up the knowledge and excel in this field.

Conference will focus on the following topics during presentations of the two-day event, which reflect current education research, developments and innovations.

- Advance Telemedicine
- Telehealth and medicine today
- Digital Health Care Services

Glimpses of past conference

Tourist Attractions

Venue

Melbourne is positioned as Australia's pre-eminent center for arts, culture, education, dining and shopping. Main city is only 19 kilometers far from the Melbourne airport. Buses, Taxies, Train, Chauffer are available for the transportation. The city of Melbourne municipality is located at latitude 37 degrees 49 minutes south and longitude 144 degree 58 minutes east on south-east edge of Australia. The residents enjoy a temperate climate influenced by its location at the apex of one of the world's largest bays. In summer, take a stroll through our beautiful city. In autumn, experience the glorious foliage of the many European-style parks that fringe the CBD. In winter, enjoy the warmth of cosy cafes and bars. Spring is a time for renewal – a great time to head back into our parks and revel in our gardens. Attraction points over Melbourne are ; Melbourne Aquarium and Eureka Skydeck 88 , Phillip Island(Penguins, koalas and Kangaroos) , Reverse great ocean road etc. Lovely, laid-back Melbourne has something for everyone: family fare, local and international art, haute boutiques, multicultural dining, Australian and Aboriginal history, spectator sports, and pulsing, swanky nightlife. Cruise on the free City Circle Tram loop to check out unique attractions like the Royal Botanical Gardens and the Healesville Sanctuary, which buzzes with local animal species.

You'll fall in love with Melbourne, Australia

Venue:
Mercure Albert Park
65 Queens road
Melbourne 3004, Australia
