Vulvar Dermatology

Anne Marie McNeill

M.D. McNeill Dermatology, USA

Abstract

This talk will review common rashes and skin complaints in the vulvar area. Rashes covered will include lichen sclerosus, lichen planus, atopic dermatitis, and psoriasis. Lesions such as vulvar intrapithelial neoplasia & squamous cell carcinoma, and vulvar pain syndromes will also be reviewed.

Biography

Dr. McNeill, a board-certified dermatologist, practices medical dermatology, dermatologic surgery, and cosmetic dermatology. Born and raised in San Jose California, Dr. McNeill completed her undergraduate education at the University of California, San Diego, majoring in Chemistry. She completed both her M.D. and Ph.D. degrees under the Medical Scientist Training Program fellowship at the University of California, Irvine, sponsored by the National Institutes of Health (NIH). Her Ph.D. is in Pharmacology. She then went on to complete an Internship in Internal Medicine at the University of California, Los Angeles, returning to Orange County to complete her residency in Dermatology at the University of California, Irvine. She has published over 20 articles and abstracts in the peer-reviewed literature.
