Systematic and Knowledge-Based Invention in Science and Industry - 2;

TRIZ and IDM-TRIZ

Ali Taheri

In consultation with Prof. **Denis Cavallucci**

International Conference on

Chemical Engineering

September 12-14, 2016 Phoenix, Arizona , USA

Accredited cpd Event

Related to the DEFI project labeled by " The Vehicle of the Future" November 28, 2008
Funded by the "Alsace Regional Council" and European Regional Development Fund"

Time To Innovate

INSA INSTITUT NATIONAL DES SCIENCES APPLIQUÉES STRASBOURG

LGECO-Design Engineering Laboratory

Outline

- TRIZ : The theory of inventive problem-solving
- IDM-TRIZ; an effective method for R&D teams
- Risk Management and Rapid Design
- Data Minding for Existing Solutions
- Verification and Validation
- Conclusion & Perspective
