PERSONAL SUMMARY

I am looking for an opportunity to participate in a collaborative, competitive, and creative environment. I do not care about working in a large or small organization as much as I care that there is harmony between me and my colleagues, and my manager is the one who always pushes me forward and work in danger without fear, trust in my team, exchange of opinion and participation in the work

EDUCATION

- UNIVERSITY OF AL-AZHAR| Sep 2015 To May 2019
- BACHELOR :
  - Graduated from faculty of science, Al-Azhar university, chemistry department (Cairo branch) .
  - Bachelor Degree in special chemistry .
  - Grade: very good . • Graduation year: 2019 .

WORK EXPERIENCE

- QUALITY CONTROL (IPC)

YES PAC | Apr 2021 To Present

Maintaining the high quality of the product by periodically monitoring the product and discovering any errors, through the full knowledge of production errors and discovering the solution to get rid of those errors, waste and materials used, making statistics and reports, and controlling the product for immediate improvement of the production process, periodic tracking of the weight and density of the product, and the follow-up of the HACCP system. ISO, Occupational Safety and Health and 5S.
