AGENDA

Biography

EuroSciCon

Title: Recent advances in research on acupuncture mechanisms of action confirm some fundamental principles of traditional Chinese acupuncture

Thomas Burgoon

Past president of the American Academy of Medical Acupuncture (AAMA), USA

Thomas Burgoon is the immediate past president of the American Academy of Medical Acupuncture (AAMA) the largest organization of physicians practicing acupuncture in the United States. He graduated from medical school at Vanderbilt University in 1985 and competed residency training in internal medicine. He began studying acupuncture theory and practice in 1992 and studied with Anita Cignolini of Milan, Italy for 11 years and four years with the New York College of Traditional Chinese Medicine (NYCTCM). He is a member of the editorial board of Medical Acupuncture, the official journal of the AAMA and is the chairperson of the Institutional Review Board of the NYCTCM. He is interested in traditional Chinese medical theory and practice and also in the fostering of meaningful dialog with our colleagues in regular medicine about acupuncture's value in modern medical practice.

Title: Acupuncture for Depression: An Evidence of Science

Tianjun Wang

Course Director of Acupuncture, Shulan College of Chinese medicine, UK

Prof. Dr Tianjun Wang brings his wealth of knowledge and experience of Chinese Acupuncture, Chinese Herbal Medicine and acupressure. Together with a sympathetic understanding of the needs and problems of Western patients. Tianjun is highly qualified and experienced in most aspects of Traditional Chinese Medicine (TCM). He gained a BSc in 1989 and in 2008 completed his PhD in Acupuncture and Chinese Medicine from Nanjing University of Chinese Mediine, China (NUCM). Dr. Wang moved to the UK and joined the University of East London UK (UEL) as a Lecturer and Practitioner from 2007, then as the Director of Acupuncture Clinic in 2008 and Senior Lecturer in 2009 until Dec 2014. After that full-time academic job Tianjun established his owner clinic and studio at Ilford to provide higher level acupuncture services for local people, particularly in the East London area. During his PhD study and research, Tianjun has completely observed and treated more than a hundred patients with depression. Treatment included acupuncture and he built up his specialist knowledge in the areas of acupuncture treatment for brain related conditions. Currently, Tianjun is the Member of British Acupuncture Council (BAcC) and the Fellow member of the Association of Traditional Chinese Medicine and Acupuncture UK (ATCM).

Title: TCM & Eczema
