Invitation

Welcome to the City of Arts and Science, and experience the science of Psychology illuminated as never before. EuroSciCon is proud to host the 9th International Conference on Addiction Psychiatry, September 16-17, 2019 in Rome, Italy. This year's theme is Scoping out Novel Innovations & Methodologies in Addiction Psychiatry.

Addiction Psychiatry 2019 will provide an extraordinary opportunity for Psyhciatrists of all strips and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Psychiatrists, Pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Addiction Psychiatry Conference is the perfect venue not only to dive into your field of psychological interests but also to expand the scope of your knowledge. 19 tracks are devoted to subjects such as the psychology, psychiatry, psychotherapy, anti-psychotics, advanced therapeutic.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Psychological forum in person is your active participation.

About Rome

Rome, Italy Central Capital, and the largest municipality in both the community of Madrid and Spain, and a city of elegant boulevards and expansive, manicured parks such as the Buen Retiro. The heart of old Hapsburg Madrid is the portico-lined Plaza Mayor, and nearby is the baroque Royal Palace and Armory, displaying historic Weaponry.

The city has almost 3.166 million inhabitants with a metropolitan area population of approximately 6.5 million. It's renowned for its rich repositories of European art, including the Prado Museum's works by Goya, Velazquez and other Spanish masters.Madrid lies on the river Manzanares in the centre of both the country and the community of Madrid. . As the capital city of Spain, seat of government, and residence of the Spanish monarch, Madrid is also the political, economic and cultural centre of the country. The current mayor is Manuela Carmena from Ahora Madrid.

In the 1970s Madrid became the epicentre of La Movida, a burst of expression in the arts. Sunday flea market El Rastro is in the medieval La Latina neighbourhood, popular for nightlife, theatre and tapas bars. Central Square Puerta del Sol houses the statue of the Bear and Strawberry Tree from the city's coat of arms, while the Museo Arqueologico Nacional displays a vast collection of historic artifacts. Real Madrid, the dominant soccer club, plays at the Santiago Bernabeu Stadium
