Madrid, Spain

Theme:

Renovating the knowledge on Adolescent Health

EuroSciCon

Adolescent Health

2018

Invitation

Welcome to Madrid is the capital of Spain and the largest municipality in both the Community of Madrid and Spain as a whole. The city with a metropolitan area population of approximately 6.5 million. It is the third-largest city in the European Union (EU) after London and Berlin, and its monocentric metropolitan area is the third-largest in the EU after those of London and Paris. EuroSciCon is proud to host the 2nd Edition of International Conference on Adolescent Health & Medicine on August 06-07, 2018 in Madrid, Spain. This year theme is “Renovating the knowledge on Adolescent Health”. will focus on the latest interesting and advanced topics in all areas of youth. It offers high-class opportunity for those who are looking to continue medical grades and those who are willing to share their research proficiency to the world. It provides a platform to the doctors, scientists, researchers, students across the globe to meet exchange and notice new scientific innovations. This year’s annual congress highpoints the theme, “Renovating the knowledge on adolescent health and medicine” which reflects the innovative progress in adolescent health research. The two days conference includes a variety of state-of–the–art-sessions, child health care workshops, symposiums, special keynote sessions and poster presentations, young researcher forums conducted by well-known and renowned speakers who excel in the field of adolescence.

Adolescent Health 2018 comprises the topics: Adolescent Health, Adolescent Psychology, Adolescent Problems, Adolescent Health Services, Adolescent Endocrinology, Adolescent Sexuality, Risk Behaviour, Eating Disorders, Adolescent Case Report, Adolescent Boys, Adolescent Girls, Teenagers and Stress, Adolescent Health Meeting, Teenage Suicide, Entrepreneurship Investment Meeting.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Adolescent Physicians and Paediatricians forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Neonatologists and Perinatologists accessing the website, Adolescent Health 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Adolescent Health 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

August 06-07, 2018
Madrid, Spain

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Adolescent Health

2018

Who'd be attending?

About Destination Madrid

Madrid is Located in the midpoint of Spain, the capital, Madrid has always been a place that represents all of Spain's regions. Just as famous for flamenco dancing as Seville and as famous for Cathedrals as Andalusia, Madrid will give you a piece of every region's puzzle, and showcase each unique feature of Spain in one city. Tourists here have seen Madrid as a bustling city with a diverse population, well-renowned art, plazas and shops, some of the oldest and finest restaurants, and a lively nightlife. This is surely the city that never sleeps, and provides. As one of Spain's most cosmopolitan cities, visitors flock to Madrid in large numbers every year. Experience what makes Madrid so special - from its stunning architecture and world-class cultural attractions to its extensive nightlife and entertainment. The charming capital of Spain, Madrid entices visitors with its great monuments, lively nightlife and acclaimed art museums.it gives you a mesmerizing view of city to watch the sunset .Madrid has three of the most important art galleries in the world, all within short walking distance like Madrid's Golden Triangle by starting with The Prado Museum, Museo Nacional Centro de Arte Reina Sofía , The Thyssen-Bornemisza Museum will give you an overview of art from the 13th to the late 20th century. Madrid is about more than football, although the Champions League final between its top teams – Real and Atlético – certainly showed the Spanish capital's dominance of the beautiful game. The beautiful Retiro park is one of Madrid's main attractions.
