Build castles in the air to land at City of Dreams Paris, to explore Advanced Chemistry 2018

Paris, France's capital is a noteworthy European city and a worldwide community for craftsmanship, style, gastronomy and society. Its nineteenth century cityscape is jumbled by wide lanes and the River Seine. The city is known for its cafe culture and designer boutiques along the Rue du Faubourg Saint-Honoré. Paris is the city of love, inspiration, art and fashion. It has a population of more than 2 million people and is divided into 20 districts. Paris has a lot of interesting architecture and museums to offer; among them the famous tourist place to visit is the Eiffel Tower. A significant number of the acclaimed roads and city building areas structures where changed by Haussmann and Napoleon III (Charles Louis Napoleon Bonaparte). The lanes where made much wider, places and squares where fabricated and the structures totally modified. Paris has a nickname called "La Ville-Lumiere. The famous places to visit in Paris are Notre Dame Cathedral which is Roman Catholic Cathedral situated in the eastern half of the city, Louvre Museum which is located at the heart of Paris , Champs Elysees which is a Arc of Triumph, Montmartre which is a hill located at the north of Paris and its height is 130 metre, it is best known White Domed Basilica of the sacred heart at the top, Quartier Latin which is called the famous private garden located on the left bank of the seine around the Sorbonne, Disneyland Paris which is located 32 km from central Paris , it has two theme parks –Disneyland and Walt Disney studios.
