About Destination Moscow

Moscow is the capital and most populated city of Russia. It is a major political, economic, cultural, and scientific centre of Russia and Eastern Europe, as well as the largest city entirely on the European continent.

The city is well known for its architecture, particularly its historic buildings such as Saint Basil's Cathedral with its brightly coloured domes. The Moscow Kremlin and Red Square are also one of several World Heritage Sites in the city. The city is a significant Centre of research and development. Other main architectural attractions include Ballet at the Bolshoi, Gorky Park, Pushkin Museum of Fine Arts, galleries all displaying a richness of colour and architectural detail.
