Dental Care & Advanced Dentistry

Nov 16-17, 2017
London, UK

Theme:

Revolutionizing & Changing the Future of Dentistry

EuroSciCon

Advanced Dentistry

2017

Invitation

Welcome to London, the City of Arts and Science, and experience the science of dentistry illuminated as never before. EuroSciCon is proud to host the 22nd Edition of World congress on Dental Care & Advanced Dentistry, November 16-17, 2017 in London, UK. This year's theme is **Revolutionizing & Changing the Future of Dentistry**. Advanced Dentistry 2017 will provide an unprecedented opportunity for Dentists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite dental experts and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, this Conference is the perfect venue not only to dive into your particular dental interests but also to expand the scope of your knowledge. 19 tracks are devoted to subjects such as the Prosthodontics, Pediatric Dentistry, Periodontics, Oral and Maxillofacial surgery, Oral Cancer, Orthodontics, Endodontics, Orofacial Myology, Green dentistry, Nano dentistry.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant dental forum in person is your active participation.
