EuroSciCon

Cancer Science

2019

Invitation

EuroSciCon extends its warm welcome to all its participants to CANCER SCIENCE 2019 scheduled on Febuary 19-20, 2019 at Prague, Czech Republic with a theme “Recent Developments and Advancements of Cancer Science”. EuroSciCon organizes Global Events with Conferences, Symposiums and Workshops on Medical, Pharma, Engineering, Science, Technology and Business.

We gladly welcome attendees all around the world for the hearing of the foremost recent innovations and inventions in the field of cancer. This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists, industry specialists and also from the academicians of the best institutes from around the globe. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge and talk about various aspects related to various frontiers in the field of Cancer science. Our aspiration is to gather peer researchers, young scientists, academicians & industrialists to meet, discuss and share the knowledge that’s still more to be revealed. Gain and grab the knowledge. Conferences and symposia provide unlimited opportunities to strengthen the community, and are also the collective body of knowledge. We cordially encourage you to attend and contribute to one of the major events of 2019 on the field of Cancer science. The conference will reveal the present and future aspects in the field of Cancer science which are the need of the hour for instant and précised treatment..

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ cancer science and pharmacologists accessing the website, cancer science 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro cancer science 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

Prague, Czech Republic

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Cancer Science

2019

Who'd be attending?

Cancer Science – 2019 Conference brings together the specialists from all the aspects to meet and discuss the future of Oncology & Cancer in today's world to thrive and survive with a better health. The conference will bring together Directors, Doctors, Director of Laboratories, Universities, Industries, Delegates, Cancer Research specialists, Investigators, Post-Doctoral Fellows, Research and Diagnostic Laboratories, Clinical Fellows, Students, Biomedical Research companies, CRO's, Healthcare Institutions, Market Research and Consulting Firms, Pharmaceutical Companies, Medical device specialist and all the interested participants willing to enhance and update the knowledge on Cancer Science.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Organ-Defined Cancers
- Cancer Biopsy
- Alternative Medicine
- Cancer Vaccination
- Biomarkers In Cancer Diagnosis And Prognosis
- Cancer Case Reports
- Surgical Oncology
- Oncology Nursing
- Targeted Cancer Therapy
- Cancer Metastasis
- Nanotechnology & Nano Medicines In Cancer Treatment
- Gynecologic Oncology
- Cervical Cancer And Transgender Man
- Cancer And Tumour Immunology
- Radiation Oncology
- Integrative Therapy
- Novel Anti-Cancer Drugs
- Artificial Intelligence And Its Scope In Cancer Therapy
- Cancer Therapeutics And Novel Approaches
- Cancer Pharmacology
- Cancer Genetics
- Cancer Stem Cell Therapy

About Destination prague

Prague, capital city of the Czech Republic, is bisected by the Vltava River. Nicknamed “the City of a Hundred Spires,” it’s known for its Old Town Square, the heart of its historic core, with colorful baroque buildings, Gothic churches and the medieval Astronomical Clock, which gives an animated hourly show. Prague is home to a number of famous cultural attractions, many of which survived the violence and destruction of 20th-century Europe. Main attractions include the Prague Castle, the Charles Bridge, Old Town Square with the Prague astronomical clock, the Jewish Quarter, Petřín hill and Vyšehrad. Since 1992, the extensive historic centre of Prague has been included in the UNESCO list of World Heritage Sites. The city has more than ten major museums, along with numerous theatres, galleries, cinemas and other historical exhibits. An extensive modern public transportation system connects the city. Also, it is home to a wide range of public and private schools, including Charles University in Prague, the oldest university in Central Europe.There are hundreds of concert halls, galleries, cinemas and music clubs in the city. It hosts music festivals including the Prague Spring International Music Festival, the Prague Autumn International Music Festival, the Prague International Organ Festival and the Prague International Jazz Festival. Film festivals include the Febiofest, the One World Film Festival and Echoes of the Karlovy Vary International Film Festival. The city also hosts the Prague Writers’ Festival, the Prague Folklore Days, Prague Advent Choral Meeting the Summer Shakespeare Festival,the Prague Fringe Festival, the World Roma Festival, as well as the hundreds of Vernissagesand fashion shows..
