Cardiology Insights

2019

Invitation

Welcome to Berlin, the City of Arts and Science, and experience the science of Cardiology illuminated as never before. EuroSciCon is proud to host the 22nd International Conference on New Horizons in Cardiology and Cardiologists Education" to be held during March 07-08, 2019 at Berlin, Germany. This year's theme is Experts Insights into Discovery of Millennium Routes of Cardiology. Cardiology Insights 2019 will provide an unprecedented opportunity for Cardiologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Cardiologists, Pharmacologists, and Scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, Young researchers, Mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Cardiology Conferences is the perfect venue not only to dive into your particular Cardiology and Cardiologists Education interests but also to expand the scope of your knowledge. Cardiology Insights 2019 is a global platform to discuss and learn about Heart Associated Diseases and their new advances in treatment patterns.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant toxicological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+Cardiology and Cardiologists Education accessing the website, Cardiology Insights 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Cardiology Insights 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

March 07-08, 2019
Berlin, Germany

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Cardiology Insights

2019

Who'd be attending?

22nd International Conference on New Horizons in Cardiology & Cardiologists education is exclusively designed for Cardiology Specialists, Research Scientists, Students, Academic Faculty, Design Engineers, Industrial engineers, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavours related to Cardiology & Cardiologists education research and business.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Heart Diseases
- Cardiologists
- Cardiac Nursing And Healthcare
- Paediatrics And Fetal Cardiology
- Geriatric Cardiology
- Women In Heart Disease
- Animal Cardiology and Veterinary Care
- Heart Toxicity And Cardio Oncology
- Cardioimmunology
- Psychiatry And Neurocardiology
- Genomics In Heart Disease
- Cardiac Regeneration
- Therapeutic Advances In Heart Failure
- Cardiac Technology
- Innovative New Cardiac Imaging
- Heart Disease And Nutrition
- Predictive Risk Factors For Heart Disease
- Cardio Metabolic Health
- Adverse Drug Reactions Monitoring
- Cardiovascular Rehabilitation
- Palliative Care And Heart Failure
- Advances In Heart Diseases

EuroSciCon

About Destination Berlin

Berlin, Germany's capital, dates to the 13th century. Reminders of the city's turbulent 20th-century history include its Holocaust memorial and the Berlin Wall's graffitied remains. Divided during the Cold War, its 18th-century Brandenburg Gate has become a symbol of reunification. The city's also known for its art scene and modern landmarks like the gold-colored, swoop-roofed Berliner Philharmonie, built in 1963.The Tiergarten district, near the Brandenburg Gate, houses a massive park and the 19th-century Reichstag, Germany's parliament. Museum Island, in the Spree River, features the Neues Museum, with its comprehensive Egyptian collection. Its Pergamon Museum's archaeological masterpieces include Greek, Roman and Islamic works. Nightlife ranges from Mitte quarter's hip restaurants and bars to the cavernous techno clubs in the city's industrial neighborhoods. Shopping includes high-end boutiques along Kurfürstendamm, department stores on bustling Friedrichstraße and vintage shops in bohemian Kreuzberg.

In progressive Berlin, the old buildings of Mitte gracefully coexist with the modern Reichstag. Don't miss top historic sights like the Berlin Wall, Checkpoint Charlie, the Brandenburg Gate and Potsdamer Platz. The city's great zoo makes for a fun break from touring the staider attractions.
