Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published inrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Cardiology Insights 2019 Conference website is attracting 25000+ Cardiologists, Cardiology Professionals online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Cardiology Insights 2019 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Cardiology and Cardiologists Education present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Heart failure Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Cardiology and Cardiologist Education
- Discuss and apply recent research findings related to Cardiology and Cardiologists Education
- Reflect on the place of critical distance in Cardiology and Cardiologists Education

Who should attend

22nd International Conference on New Horizons in Cardiology & Cardiologists education is exclusively designed for Cardiology Specialists, Research Scientists, Students, Academic Faculty, Design Engineers, Industrial engineers, Industrialists, Business Entrepreneurs, Manufacturing Devices Companies philosophers and others engaged in endeavours related to Cardiology & Cardiologists education research and business.

About hosting organization

Conference series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

MajorSessions

- Heart Diseases
- Cardiologists
- Cardiac Nursing and Healthcare
- Paediatric Cardiology
- Geriatric cardiology
- Women in Heart Disease
- Psychiatry and Heart Disease
- Genomics and Molecular Cardiology
- Cardiac Regeneration and Repair
- Therapeutic Advances in Cardiovascular diseases
- Innovative New cardiovascular Imaging
- Heart Disease and Nutrition
- Predictive Risk factors for Heart Disease
- Cardio metabolic Health
- Adverse Drug Reactions Monitoring and Heart Failure
- Cardiovascular Rehabilitation
- Palliative Care and Heart Failure
- Advances in Heart Diseases
- Case Reports on Cardiology
- Cardio toxicity of Cancer therapy
- Myths about Heart Disease
- Heart Healthy Lifestyle
- Heart Disease mortality rate

About Berlin

Berlin, Germany's capital, dates to the 13th century. Reminders of the city's turbulent 20th-century history include its Holocaust memorial and the Berlin Wall's graffitied remains. Divided during the Cold War, its 18th-century Brandenburg Gate has become a symbol of reunification. The city's also known for its art scene and modern landmarks like the gold-colored, swoop-roofed Berliner Philharmonie, built in 1963.The Tiergarten district, near the Brandenburg Gate, houses a massive park and the 19th-century Reichstag, Germany's parliament. Museum Island, in the Spree River, features the Neues Museum, with its comprehensive Egyptian collection. Its Pergamon Museum's archaeological masterpieces include Greek, Roman and Islamic works. Nightlife ranges from Mitte quarter's hip restaurants and bars to the cavernous techno clubs in the city's industrial neighborhoods. Shopping includes high-end boutiques along Kurfürstendamm, department stores on bustling Friedrichstraße and vintage shops in bohemian Kreuzberg.

In progressive Berlin, the old buildings of Mitte gracefully coexist with the modern Reichstag. Don't miss top historic sights like the Berlin Wall, Checkpoint Charlie, the Brandenburg Gate and Potsdamer Platz. The city's great zoo makes for a fun break from touring the staider attractions.
