Theme:

Clinical and medical case studies that pave way for an advanced healthcare.

EuroSciCon

Case Reports

2018

Invitation

The Euroscicon is proud to host the 8th International Conference on Case Reports on 28-29th May,2018 in London,UK. The theme of this year's conference is " Clinical and medical case studies that pave way for an advanced healthcare".

Case reports conference 2018 will serve as a global platform for the discussion of new trends in clinical and medical research; the detection of new drug side effects their and potential uses; a way of sharing lessons learned in disease development and prognosis.

We take this opportunity to invite delegates from Universities and Institutes all over the world in related disciplines, professionals and experts in the field of healthcare,and clinical and medical researchers all over the globe.

With a broad array of keynote presentations, oral presentations and poster sessions Case Reports conference 2018 will be a perfect place to showcase your research experiences and broaden the scope of your knowledge beyond your particular field of interest.

Again, we cordially invite all the participants to help make this event a grand success.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

Case reports conference 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

One- on -one interaction with eminent scientists and experts in the clinical and medical research field.

Networking with peers or sponsors for continuing research.

Learning new insights about the advances in medicine and related fields.

Getting recognized in a global platform and discussing research ideas or topics with professors, scientists and scholars

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

May 28-29, 2018
LONDON, UK

Case Reports

2018

Who'd be attending?

Deans, Vice Deans & Vice Presidents of Medical Institutions and Hospital.

Directors and Chairs of Medical Councils and funding institutions.

Professors and experts from academia who are in the field of medicine, pharmacy and clinical research.

Students and research fellows from research institutes, medicine, pharmacy and research centers.

Physicians, Business Delegates, Directors, Managers,Business Intelligence Experts, Departmental Managers.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Case Reports on Dentistry
- Case Reports on Pediatrics
- Cardiology Case Reports
- Case Reports on Neurology
- Case Reports on Human Pathology
- Case Reports on Oncology
- Case Reports on Drug Interactions
- Case Reports on Health Care and Public Health
- Case Reports on Obstetrics & Gynecology
- Case Reports on Surgery
- Case Reports on Medical Genetics
- Case reports on Clinical Microbiology and Infectious diseases
- Case Reports on Anesthesiology
- Case reports in Medicine
- Gastroenterology Case Reports
- Case Reports on Proctology/Colorectal Surgery
- Case Reports on Radiology

See your work PUBLISHED

in one of our related journals

- Journal of clinical case reports
- Journal of AIDS and clinical Research
- HealthCare Current Reviews .....and many more.....

About Destination London

London, the capital city of United Kingdom, stands on the River Thames and is located southeast of the island of Great Britain. London covers an area of 1579 square kilometers and according to 2016 statistics, Greater London's population was estimated to be 8.63 million.

London is a leading global city excelling in the fields of arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. As the world's largest financial center, London serves as an attractive destination for international investors and businessmen. The headquarters of important banks like HSBC, Royal Bank of Scotland, Barclays and Standard Chartered are located here. The city has the World's largest city airport. If we look at the cultural distribution of the city, London is often described as a cultural hub. It is home to a wide variety of people from different backgrounds and more than 300 languages are spoken. The host city also has some of the best medicine schools like The Imperial College London, the University College London, The King's College London, Queen Mary's University of London and St. George's University of London. Funds for research are available from Research Councils, National Institutes of Health, European Commission, other UK Government Departments and also from commercial sectors like private companies. In 2016, the idea of a global research hub in London was put forward, to bring over ten thousand scientists and clinical researchers together in order to accelerate advancements in cancer science.

The Buckingham Palace, the Warner Bros Studio, the Madame Tussauds wax museum, Westminster Abbey, and the London Eye are important tourist destinations in this city..
