

EuroSciCon

EuroSciCon Conference on

Chemistry 2018

December 10-11, 2018

Hyatt Place, Amsterdam Airport, Netherlands

Theme:

Enabling propelled point of view and novel ideas in chemistry

EuroSciCon

Chemistry

2018

Invitation

Welcome to Amsterdam.

On behalf of Chemistry 2018 Organizing Committee, invite Academicians, Experts in Chemistry and related fields, Professors of chemistry department in various Universities and institutions, Associate and Assistant Professors in Materials Chemistry, Post-doctoral and Researchers in Chemistry, Directors, Presidents & CEO's from companies, Chemical Instrument Vendors, Delegates from various Pharma & Instrumental companies from all over the world, Relevant Graduate and Post graduate students from the chemistry and its allied areas.

The conference proceedings include symposiums and workshops, keynote speeches, plenary talks, poster sessions and panel discussion on latest research developments in the field of chemistry.

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multi professional and multi-specialty approach creates a unique experience that cannot be found with a specialist society or commercially.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

December 10-11, 2018

2018

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 300+ Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ chemists and professors accessing the website, Chemistry Research 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Chemistry 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

December 10-11, 2018
Hyatt Place, Amsterdam Airport, Netherlands

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 300+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Chemistry

2018

Who'd be attending?

EuroSciCon Conference on Chemistry 2018 gives chance to meet academicians, experts in chemistry and related fields, professors of chemistry department in various universities and institutions, associate and assistant professors in materials chemistry, post-doctoral and researchers in chemistry, directors, presidents & ceo's from companies, chemical instrument vendors, delegates from various pharma & instrumental companies from all over the world, relevant graduate and post graduate students from the chemistry and its allied areas respectively and share ideas, knowledge and different views on various areas of chemistry.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Superamolecular Chemistry
- Green Chemistery
- Analytical Chemistry
- Chemical Technology
- Polymer Technology
- Heat Transfer
- Organic Chemistry
- Pharmaceutical Chemistry
- Nanostructures
- Organic Photochemistry
- Forensic Chemistry
- Nutrition And Food Chemistry
- Electrochemistry
- Cascade Reaction In Organic Synthesis
- Fluorous Chemistry
- Coordination Chemistry
- Physical Chemistry
- Petro Chemistry
- Organic Electronics and Regiochemistry
- Computational Advancements In Organic Chemistry
- Radioactivity
- Reaction Engineering
- Fluid Mechanics
- Global Chemical Industry Analysis

EuroSciCon

See your work PUBLISHED

in one of our related journals

- Structural Chemistry & Crystallography Communication
- Insights in Analytical Electrochemistry
- Journal of Organic & Inorganic Chemistry
