Discussion and Evaluation of Advanced Therapeutic and Modern Clinical Dermatological Technologies

EuroSciCon

Clinical Dermatology Congress

2018

Invitation

Welcome to Milan, the City of Arts and Science. EuroSciCon is proud to host the 14th Edition of International Conference on Clinical Dermatology, Dec 10-11, 2018 in Milan, Italy. This year's theme is Discussion and Evaluation of Advanced Therapeutic and Modern Clinical Dermatological Technologies. Clinical Dermatology Congress 2018 will provide an unprecedented opportunity for Dermatologists & Skin Specialists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite clinical dermatologists, skin specialists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Clinical Dermatology Conference is the perfect venue not only to dive into your particular clinical dermatology interests but also to expand the scope of your knowledge. 15 tracks are devoted to subjects such as the acne and psoriasis, atopic dermatitis, aesthetic medicine, melanoma, skin cancer, amyloidosis, vitiligo, hyperpigmentation, liposuction, allergy, dermatoses of pregnancy, tattoo removal, microbiome, actinic keratosis, eczema .

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant clinical dermatology forum in perperson is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.
