EuroSciCon

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Clinical Pathology & Bacterial Diseases 2019 aims to gather leading educational scientists, researchers and research students to exchange & share their experiences and research results about all aspects of Clinical Pathology & Bacterial Diseases.

Clinical Pathology & Bacterial Diseases 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3500+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EuroSciCon

Who'd be attending?

Clinical Pathology & Bacterial Diseases 2019 aims to gather leading educational scientists, researchers and research students to exchange & share their experiences and research results about all aspects of Clinical Pathology & Bacterial Diseases.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 17 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Pathology
- Clinical Pathology
- Forensic Pathology
- Surgical Pathology
- Clinical Chemistry Laboratory
- Hemato Pathology
- Immunopathology
- Medical Microbiology
- Chemical Pathology
- Transfusion Medicine
- Gynaecologic Pathology
- Molecular Pathology
- Pathology Case Reports
- Oncopathology
- Cytopathology
- Histopathology
- Renal And Urinary Tract Pathology
- Cardio Pathology
- Pediatric Pathology
- Digital Pathology And E-Pathology
- Cerebro-Vascular Pathology
- Dermatopathology
- Veterinary Pathology
- Radiation Pathology
- Nanotechnology In Pathology
- Microbial Pathology

Clinical Pathology & Bacterial Diseases

2019

About Destination Prague

Prague is the capital and most astronomically immense city in the Czech Republic, the 14th most immensely colossal city in the European Amalgamation and additionally the historical capital of Bohemia. Situated in the north-west of the country on the Vltava river, the city is home to about 1.4 million people, while its more immensely colossal urban zone is estimated to have a population of 2.2 million.The city has a temperate climate, with warm summers and algid winters.

Prague has been a political, cultural and economic centre of central Europe consummate with genuinely opulent history. Founded during the Romanesque and flourishing by the Gothic, Renaissance and Baroque eras, Prague was the capital of the kingdom of Bohemia and the main residence of several Holy Roman Emperors, most eminently of Charles IV. It was a paramount city to the Habsburg Monarchy and its Austro-Hungarian Imperium.
