DENTAL & DENTAL HYGIENE 2018 (CE & CPD)

Tentative

AGENDA

March 26-27, 2018
Edinburgh, Scotland

EuroSciCon

#Dental & Dental Hygiene 2018

The annual Dental & Dental Hygiene 2018 is an international academic event with plenty of opportunity for networking and debate. In an informal setting, this meeting will bring you up to date with current research and thinking regarding screening, prevention and treatment in this ever-growing field. Presenting at this event, we will have a variety of clinicians, academics and members of the Dental industry; we encourage presentations from the wide spectrum of Dentistry research, development and healthcare professionals.

This event has CE & CPD accreditation

15:40 – 16:30	Last Poster Review and Exhibitions	Refreshments provided
16:30 – 17:00	Chairman's Summing Up	Close of Session

About this Event

Discussion Sessions

The discussion sessions are an opportunity for informal questions and answers. This is an ideal opportunity to get advice and opinion from experts in this area. This session is not for questions about specific talks, which can be asked after the speaker's session, but for discussing either general topics or specific issues.

There are three ways you can ask questions:

1. Before the session you can submit your question to Euroscicon staff at the registration desk,
2. Before and during the session you can submit a question or comments, by email, which will be provided on the day of the event
3. During the session you can put your hand up and join in

Session breaks

All breaks and registrations will take place in the exhibition area where there will be lunch and refreshments. Please try to visit all the exhibition stands during this event. Not only do our sponsors enable Euroscicon to keep the registration fees competitive, but they are also here specifically to talk to you

Lunch

1. We have a number of dishes that are gluten free
2. We have a range of vegetarian dishes which are separated from the meat and fish dishes
3. We have a number of dishes that are diary free
4. Please note that all food has been prepared in an environment where nuts may be present.

Missing Speakers

It is unfortunate that occasionally a speaker cannot attend, most usually due to not getting visas granted, unforeseen personal events or illness. Whilst we do everything possible to ensure that our speakers are present at the event we apologise in advance if you were at a session where a speaker could not attend. We always try to keep our agendas as up to date as possible, however if a speaker cancels the night before an event or on the day, there is little we can do to rectify this.

Frequently asked questions about our events

Is the delegate list available?

- Yes this is available to everyone who attends the event and our sponsors.
- It is available in real time. To access the list please just log into your registration details or use the QR code on right of the agenda card which is provided on the day of the event.
- You will not be included in this list if you have opted out and you can do this by logging into your registration details. This list will not be sold or ever give out to third parties.

Can I have the speaker's slides?

- We cannot give out the slides from our speaker's presentations as they are deleted immediately after each event. If you require a particular set of slides please approach the speaker. We will however have a meeting report and you will be emailed when this report is published.

Can I have a notepad?

- Notepads and pens are provided in the delegate bags and at the registration desk

I don't want my photograph on any Euroscicon promotional material

- Please let our tech person know

Is there WIFI?

- Yes, please ask registration for log in details

Can I have a CPD certificate?

- CPD certificates will be available in the exhibition hall after lunch. Please remember that EuroSciCon is a small independent company with no subsidies from society memberships or academic rates for venues. We try to be as reasonably priced as possible and our delegate rates are substantially lower than comparable commercial meeting organisations

Personal belongings

- Please take care of all your personal belonging as Euroscicon cannot be held responsible if an item goes missing from the lecture theatre or the exhibition hall.
