23rd International Conference on

Dentistry and Dental Practice

Theme:

Advances in dental therapy and treatment

EuroSciCon

Dental Practice

2018

Invitation

Welcome to “The City Of Music”, Vienna, the cultural and economical centre of Austria, and experience the science of dentistry illuminated as never before. EuroSciCon is proud to host the 23rd International Conference on Dentistry and Dental Practice, May 24-25, 2018 in Vienna, Austria. This year’s theme is Advances in dental therapy and treatment. Dental Practice 2018 will provide an unprecedented opportunity for Dentists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite clinicians, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Dental Practice 2018 is the perfect venue not only to dive into your particular dental interests but also to expand the scope of your knowledge.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person by your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

About Destination Vienna

Vienna is the capital and largest city of Austria and one of the nine states of Austria. Having a population of about 1.8 million, it is the cultural ,political and economic centre of Austria. It is the 7th-largest city by population within city limits in the European Union and is located in the eastern part of Austria and is close to the borders of the Czech Republic, Slovakia, and Hungary.

Vienna “The City of Music” is also regarded as “The City of Dreams” due to its historical legacy.Be it Art and culture or culinary delights,or historical legacy this city is the place for all in one.Vienna is a city that has given the rest of the world some very precious things: the graceful Viennese waltz, delicate and deliciously sinful pastries, and a few great classical composers. But Austria’s capital and largest city has also provided the world with its fair share of historical personalities and moments.Some of the most important includes Schonbrunn Palace, Hofburg Imperial Palace, Belvedere, St Stephen Cathedral, Burrgarten along with the famous Vienna Zoo and Prater for a thrilling experience.
