International Conference on

DENTAL TREATMENT

September 10-11, 2018

Zurich, Switzerland

Theme:

Meeting the growing demands of Dental world by Modern Dentistry

EuroSciCon

Dental Treatment

2018

Invitation

Welcome to Zurich, the City of Arts and Science, and experience the science of Dentistry illuminated as never before. EuroSciCon is proud to host the International Conference on Dental Treatment, September 10-11, 2018 in Zurich, Switzerland. This year's theme is "Meeting the growing demands of Dental world by Modern Dentistry". Dental Treatment 2018 will provide an unprecedented opportunity for Dentists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Dental practitioners and researchers, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Dental Conference is the perfect venue not only to dive into your particular Dental interests but also to expand the scope of your knowledge. 21 tracks are devoted to subjects such as Prosthodontics, Aesthetic Dentistry, Cosmetic Dentistry, Dental Hygiene, Endodontics, Nano Dentistry, Orthodontics, Oral and Maxillofacial Surgery, Oral Cancer, Oral Marketing Management, Advanced Dental Treatments, Laser Dentistry, Digital dentistry, Sleep dentistry, Hypnodontics, Periodontology, Paediatric Dentistry, Restorative dentistry, Oral Pathology, Dental Trauma, Oral Implantology.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Dental forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

EuroSciCon

With over 25000+ Dentists and Dental Scientists accessing the website, Dental Treatment 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Dental Treatment 2018 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

September 10-11, 2018
Zurich, Switzerland

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

About Destination Zürich

Zürich is at the core of a constantly expanding metropolitan area that encompasses parts of central, northern, and eastern Switzerland. It is the industrial, financial, and cultural centre of the country and one of the most cosmopolitan and dynamic Swiss cities. Throughout the city centre, green space extends to the shores of Lake Zürich, which are lined by attractive public parks, and up to the slopes of Zürichberg.

The city has traditional annual festivals: the Sechseläuten, with a guild procession and the ceremonial burning of a snowman, and the Knabenschiessen in September, a sharpshooting contest for young people and draws thousands of people to dance to techno music.
