2nd EuroSciCon Conference on

Dentistry

Theme:

Innovative ideas and novel approaches for striving the future of Dental and Oral Health Care

Invitation

EuroSciCon Conference on Dentistry, November 29-30, 2018 in Prague, Czech Republic. This year's theme is Innovative ideas and novel approaches for striving the future of Dental and Oral Health Care. Dentistry 2018 will provide an unprecedented opportunity for Dentists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite clinicians, pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Dentistry 2018 is the perfect venue not only to dive into your particular dental interests but also to expand the scope of your knowledge.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant forum in person by your active participation.
