Invitation

Welcome to Frankfurt, the City of Arts and Science, and experience the science of Dermatology illuminated as never. EuroSciCon is proud to host the **18th Edition of International Conference on Dermatology and Melanoma, October 01-02, 2018 in Frankfurt, Germany.** This year's theme is Accumulating Worldwide Researches on Dermatology and Melanoma. Dermatology 2018 will provide an unprecedented opportunity for Dermatologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite oncologists and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Dermatology Conference is the perfect venue not only to dive into your Dermatological interests but also to expand the scope of your knowledge. The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Dermatological forum in person is your active participation.
