PLAN A TRIP TO TOKYO: DESTINATION OF DERMATOLOGY 2019

Tokyo is the center of business, trade, and industry of Japan and also of Asia. It is Japan's capital and the world's most populous metropolis, Greater Tokyo Area is the most populous metropolitan territory in the world. Tokyo is the window into the future where people respect their surroundings. Tokyo was originally a small fishing village named Edo, prior to 1868. Tokyo has many universities, junior colleges, and vocational schools for education. Hitotsubashi University, National Graduate Institute for Policy Studies are biggest national universities in Tokyo. Tokyo buildings are either small and very square or tall and rectangular thin, exist in varying shades of coffee, caramel and grey and are neatly placed together, making Tokyo look like it was only built 10 years ago but someone really anal and with a passion for beige.

In the event that you are visiting the city with your children, a visit to Tokyo Disneyland is an absolute necessity. Tokyo Sky Tree is the tallest in Japan. Traditional religious sights such as Meiji Shrine and Sensō-ji attract many tourists across the world. There are many tourist attractions in Tokyo that could keep a guest busy around a little while! On your visit, you can explore places, for example, the Meiji Jingu Shrine, the stunning Ueno Park, the shopping and entertainment area of Roppongi, the Tsukiji Fish Market which is one of the biggest fish market all over the planet, the intriguing Tokyo National Museum and the lavish Tokyo Imperial Palace.There are also artworks and statues at several places in the Ueno park. There is also a zoo in the park, and the park is a popular destination to view cherry blossoms.

EXPLORE THIS EMBODIMENT TOURIST HERITAGE

Tokyo, a city which comprises both modern architecture and historical monuments is a place worth visiting once in a lifetime. Following are the famous tourist marvels of the city.
