Invitation

Welcome to Rome, the City of Arts and Science, and experience the science of Breast Cancer illuminated as never before. EuroSciCon is proud to host the 8th Edition of International Congress on Breast Cancer, December 13-15, 2018 in Rome,Italy. This year's theme is Encouraging Research on Breast Cancer & Enriching Lives. Euro Breast Cancer 2018 will provide an unprecedented opportunity for Oncologists of all stripes and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Oncologists, researchers and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, the Toxicology Conference is the perfect venue not only to dive into your particular oncology interests but also to expand the scope of your knowledge. 11 tracks are devoted to subjects such as the Breast Cancer Staging,Breast Cancer Awareness, Breast Cancer detection, prevention and diagnosis, Breast Cancer Surgery, Male Breast Cancer Research, Breast Cancer and Cell Biology,Breast Cancer and immunology, Breast Cancer Nursing, Breast Cancer Management, Epidemiology of breast cancer and Risk Factors, Inflammatory breast cancer.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Breast Cancer forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

About Destination Berlin

Berlin, Germany's capital, dates to the 13th century. Reminders of the city's turbulent 20th-century history include its Holocaust memorial and the Berlin Wall's graffitied remains. Divided during the Cold War, its 18th-century Brandenburg Gate has become a symbol of reunification. The city's also known for its art scene and modern landmarks like the gold-colored, swoop-roofed Berliner Philharmonie, built in 1963.
