Alzheimer's Disease, Dementia & Aging

Theme:

Scientific Innovations, Research Ideologies & Clinical Practice in Alzheimer's Disease & Dementia

EuroSciCon

EURO DEMENTIA CONGRESS

2019

Invitation

Welcome to Rome, the capital and most populous municipality of Italy, Rome Rome has the status of a global city. In 2016, Rome ranked as the 14th-most-visited city in the world, 3rd most visited in the European Union, and the most popular tourist attraction in Italy. and experience neuroscience illuminated as never before. EuroSciCon is proud to host the 15th International Conference and Exhibition on Alzheimer's Disease, Dementia & Aging April 22-23, 2019 | Rome | Italy This year's theme is ''Scientific Innovations, Research Ideologies & Clinical Practice in Alzheimer's Disease & Dementia''

Euro Dementia Congress 2019 will provide an extraordinary opportunity for Psychologists and Neurologists of all strips and colors to share their research with colleagues, and discuss and debate the latest advances in the field. We invite Psychologists, Neurologists, Pharmacologists, and scientists in related disciplines to come together and inform each other in an environment conducive to education and interaction. Seasoned scientists, young researchers, mid-career professionals and just starting out are all welcome.

With a broad array of keynote presentations, panel discussions, workshops, and poster sessions, Alzheimers and Dementia Conference is the perfect venue not only to dive into your field of neuroscience interests but also to expand the scope of your knowledge. 22 tracks are devoted to subjects such as the Dementia, Alzheimer's Diseases, Parkinson's Diseases, Vascular Dementia, Brain Diseases, Dementia Nursing, Neurological Diseases,and many more.

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Psychological forum in person is your active participation.

EuroSciCon

A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

EURO DEMENTIA CONGRESS

2019

Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

Our International Open Access Journals:

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

Our International Scientific Conferences:

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

Other salient features comprehend:

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref

Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manu Scripts in our Open Access Journals

With over 25000+ neurologist and pharmacologists accessing the website, Euro Dementia Congress 2019 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

Euro Dementia Congress 2019 Salient Features:

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

Congregate with most senior executives
Nurture connexions
Agenda format which incorporates ample Q&A time
Partake in our revamped exhibitor expo sessions
Meet and listen to the relevant clients
Unprecedented growth creating an unparalleled market place

How's EuroSciCon different?

Exercises your creative instincts with the live knowledge experience
It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries
Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
World's leading industries and companies attend
Career guidance for early career researchers and students
Provides insights you need to take your research to the next level
A huge conclave of high tech and science priests

EURO DEMENTIA CONGRESS

2019

Who'd be attending?

15th International Conference and Exhibition on Alzheimer's Disease, Dementia & Aging plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently neurologist Consultants, Researchers, Professors, Doctors, Directors, Member of Association and societies, Pharmaceutical company and industralists and others who stay plunged in learning and practice of neuroscience.

About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

Scientific Sessions:

- Dementia.
- Dementia with Lewy body
- Alzheimer's Diseases
- Parkinson's Diseases
- Vascular Dementia
- Brain Diseases
- Childhood Trauma and Dementia
- Neurological Diseases
- Neurodegenerative Diseases
- Neurovascular Dysfunction and Neurodegeneration
- Neuroimaging Biomarkers
- Neuropharmacology
- Dementia Nursing
- Alzheimer Disease and Cellular Mechanisms
- Alzheimer's and the Brain
- Alzheimer's Clinical Trials and Studies
- Medical Biotechnology and Alzheimer's disease
- Diagnostic Alzheimer
- Molecular Genetics and Biology of Dementia
- Dementia Care and Consulting
- Novel Therapeutics
- Neuro-Oncology and Central Nervous System

About Rome

Rome, Italy's capital, is a sprawling, cosmopolitan city with about 3,000 years of internationally powerful workmanship, design and culture in plain view. Old demolishes, for example, the Forum and the Colosseum inspire the energy of the previous Roman Empire. Vatican City, base camp of the Roman Catholic Church, has St. Diminish's Basilica and the Vatican Museums, which house perfect works of art, for example, Michelangelo's Sistine Chapel frescoes. Rome has the status of a global city. In 2016, Rome positioned as the fourteenth mostwent to city on the planet, third most went by in the European Association, and the most mainstream vacation spot in Italy. Its notable focus is recorded by UNESCO as a World Legacy Site. Landmarks and historical centers, for example, the Vatican Exhibition halls and the Colosseum are among the world's most gone to traveler goals with the two areas getting a large number of visitors a year, and the city facilitated the 1960 Summer Olympics. Rome is the seat of a few specific offices of the Assembled Countries, for example, the Sustenance and Agribusiness Association (FAO), the World Nourishment Program (WFP) and the Worldwide Reserve for Horticultural Improvement (IFAD). The city has the home office of numerous global business organizations, for example, Eni, Enel, TIM and national and universal banks, for example, Unicredit and BNL. Its business locale, called EUR, is the base of numerous organizations associated with the oil business, the pharmaceutical business and money related administrations. Rome is additionally an essential mold and configuration focus because of prestigious universal brands focused in the city. Rome's Cinecittà Studios have been the arrangement of numerous Institute Award– winning motion pictures.
